HOW TO READ AND FOLLOW A GENEALOGY REPORT.
Once you figure it out, it's simple and instant, but it is difficult for someone new to figure out who is who.
Everybody has a number. Our oldest proven common ancestor is #1 in this report, his children are all numbered.
To find the family of any child, browse forward in the report until you come to that child and number's family.
Likewise his/her children will be numbered. The report is also sectioned off by Generations. If you don't know your
line, start at the end and find yourself and work backwards by the numbers. Please contact me with any
corrections or additions. Thank you for your input.

Seventh Generation (4th Great-Grandchildren)

12. Francis Xavier BOARDWAY (François Xavier, François, Joseph, Jacques, Jacques, Solon) was born on 9 Feb 1808 in Ste Marie, Beauce, QC and died on 6 May 1887 in Orono, Penobscot, ME.

Back in the 1980s, after I had found all I could from my grandmother and VR and censuses, and John Boudway's d/c listing his parents as François Boudway & Mary Ann Crozier, I went to the American Canadian Genealogy Society in Manchester NH and told them I was looking for a Quebec name 'Boardway'. The librarian say "No you're not. You're looking for a name that got Americanised into Boardway." With just a little research through Quebec marriage registers, we soon found the marriage of François Xavier Beaudoin and Marie Anne Crozier.

François Xavier Beaudoin brought his family from Quebec to Orono Maine in 1852. He owned a small house (now gone) on Mill St in Orono, which might be next to the house son Frank owned later. He Americanized their name to Boardway. His children took on different spellings of the name including Budway, Boudway, and Bouday. His daughters were more difficult to track down. I recommend the following references for further research, which I have used: published Quebec Marriage Registers which is where I got the earlier generations, including "Genealogy of Families in the Counties of Beauce, Dorchester, and Frontenac"; VR of Old Town Maine Prior to 1892; Marriage Returns of Penobscot County Prior to 1892; Marriages of St Joseph's Catholic Church of Old Town Maine 1860-1960 by Robert E Chenard. I've also used the Social Security Death Index, VR, correspondence with descendants that I've found, obituaries, census records. There are no known photos of this first generation in Maine. Much burned in a 1908 fire in Orono.

Francis and his wife Mary Ann are buried in the Riverside Catholic Cemetery on Rt 16 in Orono. See my website for gravestone photos.

A Frank Boardway bought land in Orono May 1864.

Bob Chenard in Feb 2011 found the complete family records in Quebec, with some alternate names and slightly different dates or places, but obviously the original birth record is the correct birth-place:

Children of François Beaudoin & Marie-Anne Crozier, first five born in Ste Marie, Beauce Co, and the last 3 born in St Francois, Beauce Co.

Feb 1835 Ste Marie de Beauce Marriage Cert in French: Francois Beaudoin, cultivateur (farmer) son of Francois Beaudoin & feue (= deceased) Marguerite Gosselin, md Marie Anne Crozier, dau of feu (= deceased) Thomas Crozier & Marie Anne Slone; in presence of Francois Beaudoin, pere (father) & Charles Bilodeau, ami (friend).

Mary Ann Crozier (Marie Anne Crozier in Quebec Marriage registers) was born in England. Her father Thomas was born in England and died by 1835. Her mother was Marie Anne Slone born New Brunswick. Census and her ch d/c's or m/c's consistently say their mother was born England. Possibly her parents traveled back and forth and she was born there?

She was a teacher of Greek and Latin and operated a small store in her later years; she also became blind in her last years. Source Ed Boadway of Claremont NH.

Bob Chenard writes 2/23/2011: I don't think M.-Anne Crozier was English. I believe her mother, Sloan, was Irish Catholic and probably her father as well. Keep in mind that back then Quebec and the rest of Canada was under English rule and if anyone was from any part of the English throne (which Ireland was back then) they were English subjects. Many, many Irish migrated to Quebec in the early to late 19th century.

NORTHAMPTON'S NEW FIRE CHIEF, J A Boudway, who begins his duties tomorrow morning. [See my Boudway website for a photo/sketch of him.]

Northampton, Saturday, March 5.

The accompanying picture is a good idea of the new chief of the Northampton fire Department. Joseph A Boudway, who will come into authority Monday morning. He is a bright young businessman, who came from Orono Maine, on the Penobscot to Northampton about 15 years ago. For several years he has conducted a successful fishmarket and fruit store, opposite the City Hall. For nine years he has been the fire department, during four of which he was foreman of hose company No 5. He is well known as a sprinter and has been captain of the W. A. Bailey running team for a number of years. As a hose coupler he has not a superior in the country and has often been called to other states to coach running teams and to act as coupler in races. He is quick in judgment and affable in manners and has no trouble in handling men. He already has plans for improving the department under consideration which the city committee on the fire Department will undoubtedly favor. It now takes from 6 to 10 minutes to get the horses harnessed to the steamer or any of the apparatus because the animals are inconveniently situated in the engine house. By making a few changes and a little training the new chief is confident that he can get the apparatus out in about 1 min., an important item when a fire breaks out. Then he thinks it would be well to change the alarm system somewhat so that the men could be more readily awakened at night.

July 20, 1895 issue comments that "Chief Boudway is certainly earning his salary of $127 a year."

Jan 10, 1896 Springfield Republican:

Mayor Field reappointed J.A. Boudway chief of the fire department.

July 20, 1896 Springfield Republican:

The [Northampton] fire department has decided to set up three new fire alarm boxes, one at the Mt Tom mills, one at Crescent street, and the third on North Main street in Florence. The mill property is now outside of city fire limits... With the new roads, Chief Boudway is of the opinion that the department can go to the mills in 10 minutes.

Jan 25, 1896 paper has an advertisement: "A RARE opportunity. A Fish and Oyster Business, Restaurant connected, for sale. Central location in Northampton. The only exclusive fish market in the city. An extensive route and patronage. Chance for $50,000 business yearly. Address J A Boudway, Northampton". March 24 issue announces it was sold to Miller & Robbins who plan to discontinue the restaurant.

April 8, 1897 - Boudway & Blanchard apply for a liquor license.

He is also referred to as (J) Albert Boudway in theater articles likely his stage name.

January 10, 1906 MP Tuttle of New Haven has attached the property of Bridget M Boudway of Northampton for $1500 in an action of contract. January 10, 1906 Bridget M Boudway filed a deed transferring interest in property on Spring Street to Mary E Boudway.

A vote of appreciation of the service of acting manager J A Boudway of the Academy of Music was passed by the board of aldermen tonight. Mr. Boudway was appointed acting manager for the summer season, pending the opening of the fall and winter season, of the Northampton repertory company. ...

January 21, 1927 Springfield Republican obituary:

JOSEPH BOUDWAY DIES AFTER A SHORT ILLNESS

Was Manager of Academy of the Music – Employed at Theater 30 Years
Northampton, January 20 – Joseph A Boudway, 69, manager of the Academy of Music, died this afternoon at 1:30 at the home on Spring Street, after a short illness with pneumonia. Mr. Boudway had been confined to the house only three days. He had been employed at the Academy of Music 30 years, having joined the Academy force as a stagehand. He was assistant manager during the repertory periods and manager during the interim periods. He was greatly devoted to the interest of the theater, and his part in the management has been efficiently conducted. He was known to all the patrons and was held in high esteem by them. At times, when stock was in force at the theater, he took parts in the plays.

Mr. Boudway was born at Orono Maine, and came to this city when he was 14 years of age. His early employment was at the sawmill of the Connecticut River Lumber Company at Mount Tom, and he subsequently engaged in the fish business in a store on Main Street. Mr. Boudway was chief of the fire department 10 years, and was one of the most efficient heads the department has had. He was a member of the W A Bailey running team, which won fame in the valley by its successes in many contexts. It was said that the victories of the team were due largely to Mr. Boudway's speed in running and his quickness in attaching the nozzle to the hose. Before entering the employ of the Academy of Music, Mr. Boudway was employed by the telephone company in the work of installing instruments. Mr. Boudway leaves his widow, who was before marriage Miss Bridget Dignan of the city, three sons, Joseph, who is employed at the academy, Frank of New York City, and John of the city; four daughters, Mrs. A S Deane of this city, Mrs. Albert Hiltipold of Springfield, Mrs. Claude Orechia of Florence, and Mrs. William Wall of this city; a brother, Philip of Old Town Maine, and nine grandchildren.

Bob Chenard wrote Mar 2011: Did you know that the Delaware family of this area were mostly descendants of Abraham Drouin and Philomene Paquette. They were married in Waterville on 4 Aug 1856. He was born 14 Dec 1834 at St.Francois, Beauce and she on 11 Feb 1839 same place. After Philomene aka "Lavina" died, Abraham married a second time to Sophie Lachance, widow of Moise Mathieu, on 29 Apr 1876 at St.Francis de Sales church in Waterville. They had 4 sons and a daughter. One son, Napoleon, married on 2 Sep 1903 in Farmington (St.Joseph parish) to Alice Boardway (Beaudoin). The Delaware families around here are split - some call themselves Delaware while others kept Drouin. I did their whole genealogy for my sister's friend, Jeannette Drouin - now 85 in a nursing home in Skowhegan. Abraham and his second wife were her paternal grandparents. The last living descendant of Abraham was Julie who recently died almost 100 years old.

Abraham was the son of Joseph Drouin and his second wife, Athalie Boucher.

How and why did the Drouin name get corrupted to Delaware?SIMPLE. In many Beauce county Quebec parish records, their name was often spelled the way they pronounced it back then with a strong Beauce
Descendants of Francis Boardway of Orono

accent. The corrupted spelling was Derouin. Pronounced with a heavy Beauce accent, Drouin (Derouin) would sound very close to "Del-a-rin" and so when English only persons heard the name they spelled it like it sounded - Delaware. Subsequently in Maine civil and census records they were Delaware. In Catholic church records they were mostly Drouin or Derouin.

By the way, Abraham Drouin is buried in Gardiner where he was living with his son there in his last days. We have a whole genealogy on this Drouin family at our gen. library as is filed in the Canada room. Take a look at it next time you visit us.

A TRIBUTE TO MARY ARVILLA DILL

You've heard the expression,
(All goodness and light)
It applies to so very few,
I've had the special privilege
Of knowing her personally, too,
Her love was great for everyone,
With children it really was funny
Her hand would go for her pocketbook
She'd smile, as she slipped them some money.
Seventy-eight years, God let her stay
Each life she touched, was better
She left a warm feeling in your heart,
You are always glad you'd met her.
She was "Ma" to a lot of folks,
Aunt Villa or Grammie to others,
She was an example, God put on this earth,
A Mother, among all Mothers.

With love,
Marion Rhoades

Obituary from July 11, 1968 Kennebec Journal:
Farmingdale – Frank E Boudway, 83, died at a Gardiner nursing home Wednesday following a long illness. He was born in Orono January 18, 1885, the son of John M and Mary Pooler Boudway. He was married to the late Agnes Peterson Boudway.

He was a former member of the Farmingdale Fire Department and Gardiner Lodge of Elks. Prior to his retirement in 1957, he was employed for 53 years at the Commonwealth Shoe and Leather Company.

He is survived by one son, Edward F Boudway of San Diego California; two daughters, Mrs. Dorothy Rankin of Pittston; and Mrs. Marion Rhoades of Farmingdale; eight grandchildren, 14 great-grandchildren, and several nieces, nephews and cousins.

A Requiem high funeral Mass will be sung Friday at 9 AM at St. Joseph's Catholic Church Gardiner. Staples Funeral Home.

Marion said that Frank always worked in the shoe shop, working up to the heeling machine, and retired about age 78 without even a thankyou, and they also called him back to fill-in from time to time. Frank and Agnes picnic-ed on Pleasant Pond, New Mills, Gardiner?. They played polo on roller skates. Agnes sewed all their clothes and doll clothes, and was a very neat housekeeper and a good cook, and made good hermits.

Frank seemed in perfect health into his 80s, when he was attending a high school football game and the bleachers collapsed. At the hospital when they opened him up, they found cancer and promptly closed him back up. He lived at home with Marion at 133 Northern Ave Farmingdale (83 after 911 changes), and his bed was brought downstairs to the living room until Marion just couldn't take care of him anymore and he went into a nursing home. That house was purchased in the early 1930s; previous residence was next door at 131, where Dot Boudway Rankin also lived.

Frank's sister Arvilla Boudway Dill lived next door on the other side at 135, Frank/Gramp used to tell us kids Indian stories and sing the old Indian songs that his ancestors sang around the campfire. Then Nana/Marion would say, "Dad, stop making up those stories, we're not Indian." He was quite a character and over 40 years later, I still really miss him.

Frank married Agnes Elizabeth PETERSON, daughter of Karl Albert PETTERSSON and Johanna Malvinna GROSS, on 12 Oct 1909 in Gardiner, Kennebec, ME. Agnes was born on 3 May 1888 in Marstrand, G&B, Sweden and died on 30 Oct 1925 in Farmingdale, Kennebec, ME.

Agnes came to America in 1903 from Marstrand Sweden, sponsored by either her uncle Julius Gross or uncle Gus Koenig. We have photos of Gus. She didn't speak a word of English, and she was taught by being ignored unless she spoke English, even asking for food at the table. She was told, you are American now, you speak American.

I have a leather postcard of Boston Public Library sent in May 1906 to Miss Agnes Pettersson, 38 Pleasant St, Gardiner ME, by "Hattie". Nana/Marion said that Agnes lived in Gardiner (Lincoln Ave?) as a housekeeper for the Peasley family before marriage.

Let me know if you would like any other information on that part of the tree and I will help you if I can.  I was actually looking for the Harvey side but it is very interesting seeing my grandmothers family.  Thanks for posting it.

185. Marion Frances BOUDWAY (Frank Edward⁹ John Marshall⁸ Francis Xavier⁷ Francois Xavier⁶ Francois⁵ Joseph⁴ Jacques³ Jacques² Solon¹) was born on 27 Sep 1911 in Farmingdale, Kennebec, ME and died on 9 Jan 2008 in Augusta, Kennebec, ME.

Genetic tree: 5'2 1/2"; wt 130-150; brown hair/eyes; asthma, allergies, arthritis, bad back; cataracts.

Marion married Roland Edison RHOADES, son of Roland Eaton RHOADES and Grace Emma FLAGG, on 14 Dec 1929 in Hallowell, Kennebec, ME. Roland was born on 21 Feb 1912 in Pittsfield, Somerset, ME and died on 23 Nov 1997 in Gardiner, Kennebec, ME.

In the spring of 1954 the family, Roland, Marion, dau Lynda and son Roland and family all moved to Phoenix AZ where Ed Boudway said there were jobs. They lasted 3 months before homesickness got them
and they moved back to Maine where all their friends and family were. An old photo album says they left Maine April 5 and arrived in Phoenix April 11; they left Phoenix July 22 and got home July 28, 1954. They lived at 3112 E Diamond St. The address on Google Earth in 2012 looks unrecognizable.

Roland and Marion are buried at Maine Avenue Cemetery, Farmingdale ME. Marion's memorial and story is at www.RolandRhoades.com/nana.htm. Roland was a member of the Pipefitters Union, traveling to many places for work. Being a union member, the family has always been strongly Democratic politically. Worked at Bath Iron Works, and helped build the St Lawrence Seaway in NY in the 1950s or 1960s. While at BIW, someone came up to him and said I think I know your sister. He replied, I don't have a sister. This was when he first learned that he did have a half-sister via his father's first marriage, Irma Rhoades Wall Butler. She visited and a group family photo will be on my Rhoades family webpage. His father died when he was less than 2 years old. Roland was named after Thomas Edison because his father had worked with and thought highly of him. Roland was also a member of the Freemasons, though I don't recall him ever mentioning it; The Maine Mason magazine just kept coming in the mail. He loved to eat and would have spaghetti eating contests with the Boudway side of the family (Butch Nuzzo). He and Marion bought their house at 133 Northern Avenue Farmingdale [83 after 911 change] around 1933 and lived there their whole lives, until Marion sold it in 2003.

I remember that their phone # when I was a kid was simply "768M", a party line that was frequently being used by a neighbor when you wanted to use it. My grandfather Roland in a 1990 tape said that he went back and forth from his mother's to his grandmother's and Uncle John's homes. Quit school at 14 to work. Lots of different schools. Remembers an Uncle Lent, and an Uncle Eanus who carved stuff, even wooden chains.

Genetic tree: 5'8"; wt 170; brown hair; hazel eyes; balding at 40; angina, heart attack, quadruple bypass 1983, diabetes from failing health; cataracts; Blood AB+. Memory problems at about age 80.

Roland attended Farmingdale and Gardiner schools, graduating from Gardiner High School in 1947. Served in the US Army Air Corps, in charge of sled dogs in Labrador. He moved to Dover NH in 1955 and East Rochester NH in 1959. He worked at GE in Somersworth NH for 11 years. He was a licensed electrician, carpenter and general contractor, a co-owner of a couple companies. He and Muriel were also owners of Hilltop Recreation Center in Somersworth NH, which he built from the ground up in the 1960s to include a golf driving range, go-karts, baseball and softball batting cages, and "Space Age" miniature golf. That was a major news attraction; each hole had a giant theme, like a flying saucer large enough to walk through, that airplane pilots said they used as a bearing for landing at the Rochester airport. It also had space creatures and planets made from steel, chicken wire and mortar. His children always had summer jobs! He was also an Eagle Boy Scout, Order of the Arrow; Scoutmaster in Gardiner ME and Salmon Falls NH; Cubmaster in East Rochester; and served on the vestry as Jr and Sr Warden of the Episcopal Church in Rochester. He converted their summer camp in Sanford to year-round and moved from East Rochester in 1980. He sold his business and retired to Lakeland FL around 1985 in a retirement park where he has been President of the Shuffleboard Club, with many trophies. He and Muriel have led a very active life in the Florida warmth; it's hard to ever find them home. In January 2011, they sold their home in Lakeland and moved in with daughter Nancy in NH.

Genetic Tree: 5'10"; wt 175; black hair; hazel eyes; balding at 40; arthritis, heart disease, back problems (the "Boudway back" acc to his mother), slight diabetes; Blood AB+. Memory problems at about age 80, rapid progression. Had a heart attack and stent 1995; pacemaker 2005. Knee replacement 2009. Prostate cancer 2009. DNA test results from 23&me: Y-dna Rhoades line belongs to Haplogroup R1b1b2a1a2d3.

23&me test showed 100% European, broken down as 37.9% Bristish & Irish (includes Scotch/Welsh), 7.5% French & German, 7.1% Scandinavian, and 42.5% "Nonspecific Northern European", and .2% Italian and 3.9% "Non-specific Southern European". Nonspecific means they do not yet have the comparative data to pin it down, but it will eventually increase the Scandinavian and French amounts. This is one reason why they dropped the price to build their database to a million users. The test also showed .1% Ashkenazi Jewish and .8% Non-specific European, and <.1% Native American (that kinda blows a hole in his father's story about his g-grandmother (Whalen) being an Indian princess!). This test also showed 2.7% Neanderthal dna.

Roland married Muriel Ruth ROBERTSON, daughter of William Lewis ROBERTSON and Edith Maude LEAVITT, on 7 Oct 1950 in Gardiner, Kennebec, ME. Muriel was born on 19 Mar 1929 in Skowhegan, Somerset, ME.

Muriel grew up as a Methodist, but attended Sunday Schools at the Universalist churches in Skowhegan and Gardiner. Moved to Gardiner as a small child, and graduated from Gardiner High School 1947, and Burdett Business College in Lynn MA. Attended Girl Scout Camp at Cobbossee Lake in 1941 according to a letter from her father, and was a Cub Scout Den Mother. Attended Episcopal churches in Gardiner ME, and Dover and Rochester NH.
Genetic Tree: 5'2"; wt 110-130; brown hair; hazel eyes; high blood pressure; back problems/ scoliosis; Blood A+. Memory problems in late 70s, slow progression. No cancer. Had thyroid operated on in her 30s or 40s. Has been diagnosed with clinical depression in her later years.

DNA test results: Haplogroup is H6a1a2a. [My maternal cousins will be the same - Robertson > Leavitt > Stinneford > Trafton > Penney > Goven > Cole > Spencer 1698.] H6 is one of the oldest branches of haplogroup H. Its age is estimated at around 26,000 years. It is one of the most frequent branches of H found among Arabian lineages, and is the most frequent branch among those found in Central Asia. It likely originated in the Middle East or Central Asia. H6 is also found at very low frequencies in Europe. I have also uploaded my data to the mtDNA Community website for additional analysis.

23&me test shows 100% European, broken down as 57% Bristish & Irish (includes Scotch/Welsh), 12.5% French & German, 3.7% Scandinavian, and 25.7% "Nonspecific Northern European", and .3% "Non-specific Southern European". Nonspecific means they do not yet have the comparative data to pin it down. This is one reason why they dropped the price to build their database to a million users. The test also showed .8% Non-specific European, and <.1% South Asian (India). This test also showed 2.9% Neanderthal dna.

Children from this marriage were:

Rosalyn Tumblin m1 Donald Bernier. Dau of Arnold C Tumblin b MA & Gertrude Gorman b ME. Married by Marguerite Stanley NP in Gowen Park, Sanford, reception at my house on Jackson St.

Cynthia and I were Married by Rev Mykel Johnson at Allen Avenue Unitarian Universalist Church on the anniversary of my grandparents' wedding.

Genetic Tree: 5'9"; wt 160-175; light brown hair, hazel eyes; non-balding at 60; slightly high blood pressure and cholesterol; Blood A+. My Y-DNA is R1b1a2a1a1 acc to FTDNA, but see my father's report from 23&me. I am Gen 11 from Henry Rhodes. FTDNA matches to people with last name of Peavey; I talked with FTDNA and they said there is a 65 of 67 match but the mismatches point to 12-16 generations back that there was a name change or non-paternity event or an adoption or whatever. Need to get some other Henry Rhodes branch cousins tested. My maternal mtDNA is H6a1a. Shorthand is R-M269.

Walkers Paul was never married and I believe he was retarded. I don't know if he had a middle name. My middle name is Edward and I was born in Bangor, Maine. My first marriage was to Charlotte VanDyne and we had two sons: Randy was born in Presque Isle, Maine April 19^{th} 1963, and Paul was born in Bangor March 3 , 1961. After our divorce Charlotte married Chet Tukey who adopted my sons and their names were changed to Tukey. Paul married three times and has four children Christina Peron born April 16^{th} 1985; Paul (Duke) Tukey born January 14^{th} 1993; Amiee Tukey born December 18^{th} 2006; and Angie Tukey August 13^{th} 2009. Randy Tukey, my son, has two daughters, Tara Allen born May 17^{th} 1984, Sienna Plourde born November 4^{th} 1994.

My parents are Marion Rita Boardway and Frank Kinsman and they never married. My grandparents were married in Massachusetts. I married Marion Jane Fox (Mrs Murphy) on July 18^{th} 1972 in Gloversville, New York (she is
called Marny) and we had a son Scott on June 30th 1975. I adopted Marnys daughter Kristine Marie Murphy in 1973. Our son Scott was born in Gloversville, New York. My first marriage to Charlotte VanDyne in 1959 was at Saint Marys Church, Bangor Maine, I don't have the exact date.

I have a map of Maine that shows the Boardway ponds west of Jo Mary lake and east of Shawtown twp. The map also shows big and little boardman mtn. I learned that there were a couple named Boardway who lived in a rooming house in the area. Interesting story. The map shows that there is a fox pond (my wifes maiden name) and a Boardway pond that flow into yoke pond. As you know, a yoke binds two creatures together.

Paul married Charlotte VanDyne in Jul 1959 in Bangor, Penobscot, ME. Charlotte was born about 1940.
