Mara French writes from England on 13 Oct 2018:

I've found a bit more solid information in Leicestershire (the county) in Leicester (the city) on Edward than on my Richard. All the Richards I found were burial records except for one baptismal record on 6 Jun 1625 in Birstall, Leicestershire only 2 miles north of Leicester where I'm staying. Not enough information to prove anything about him, but the birthdate is very precise - then no further word about him. His father was John and Richard named a son John. But any of the 3 burial records I found could be this same Richard born in 1625.

Your Edward's 3 children were born all very near to where I am now.

Joseph, baptized 11 May 1628 in Laughton, Leicestershire, son of Edward, 11 miles from where I am.

Samuell, baptized Mar 1629 in Laughton, Leicestershire, son of Edward, 11 miles from where I am, however, he died a year later on 5 Feb 1630 in Market Harborough where the family had moved. Market Harborough is 14 miles from where I am now; therefore, only 3 miles from Laughton. I really doubt that there would be a gravestone for him from that long ago.

John, baptized 17 Jun 1632 in Market Harborough, son of Edward.

Samuell, (your line), baptized 23 Nov 1634 in Markt Harborough, son of Edward and his mother is listed as "An" which is a great affirmation. The mother of the other children is not listed.

Passengers to America usually left England after April when the weather was better; therefore Edward left after April 1635.

You probably have most of the information above as I believe I emailed it to you earlier this year. I just researched it again here to make sure I had it correct. I'll have to check when the Angel Gabriel??ship left as Bristol is not far from where I am and a good port to leave from.

I could go to Laughton and Market Harborough and take photos of the churches. The Leicestershire National Archives is in Wigston Magna, Leicestershire and I might go there on Monday when they open. In 2010 I went to Rugby and took photos where Edward and Ann married in 1626 - that is where HER family lived. No more French information there, but it is only 19 miles from where I am now in Leicester, but it is in Warwickshire, the county just south of Leicestershire. Then if you go back to Edward's parents and grandparents, they were both from Alcester, Warwickshire. I have that information on the FFA website.

I would really like to find out when, what, where ship he was on to Massachusetts. Also, I'd like to find his connection to my Richard since our DNA match. It might be impossible to find any more records this early in England.

The Angel Gabriel ship left Bristol in Spring 1635 which fits in well with the birth of Edward's children. [Some researchers have said that Edward did, or may have, sailed on the Angel Gabriel.]

There is also a John Thurston in Belmont [History of Belmont], who was a petitioner of the founding of Greene Plt in 1813.

June 10, 2014 email from Peter Smith: "John appears on the 1810 and 1820 census of Belmont, Maine. He then buys land in Palmyra, Maine in 1822 and sells the land in 1828 and then relocates to Newport, Maine where he died August 1849. His wife, Elizabeth appears on land deeds relinquishing her dower rights until 1848, when John signs by himself.

John Thurston and Elizabeth French are both myself and Nancy Battick's ancestors."

The question is to prove which John/Jonathan Thurston that Elizabeth French married.

Abraham & Eliphalet French bought land in 1816, 36-262.

Abraham and wife sold land in Belfast Apr 1845 to Benjamin Brown, part of Lot 33 1st div, 5+/- acres, lately the dower of widow Sarah French. Susanna French sold land to Benjamin Brown 1849, her dower land, Lot 33 in 1st Div, 65-414.

Abraham married **Susanna THOMAS**, daughter of **Joseph THOMAS** and **Phebe TYLER**, in Feb 1810 in Belfast, Hancock (now Waldo), ME. Susanna was born in 1787 and died 13 Jan 1862 in Belfast, Waldo, ME.

Priscilla Jones and Roland Rhoades had tried for many years to determine Susanna's ancestry, to no avail. Ancestry of Susanna unk, but VR lists other Thomas marriage ints from Lincolnville; possible siblings Huldah m1808, Abigail m1809, Betsey m 1812, Mary m1821. Thomas Cem in Lincolnville also has many possible relatives, one of the oldest being Philip Thomas 1786-1873. These could very well be her parents: Joseph Thomas 1753 - 18 May 1828 Rev War Veteran & Phebe 1754 - 16 Nov 1834.

Belfast VR has a Benjamin Thomas who died in Belfast Nov 1830 age 58 (= b 1772, possibly a brother of Susanna). Other Thomas's in Lincolnville that could be siblings.

Nathaniel French sold land in Belfast to Amasa Patterson 1835, 19-454.

This Nathaniel French instead of the one b 1806, seems to be the one who married Joanna Day Hallowell in 1838 Belfast. Timing is right with him seeming to die shortly after.

Joanna's son John Hiram (Hiram J) married Nancy French, dau of Nathaniel's brother Abraham.

Hiram's brother John married Elizabeth/Eliza Day whose parents and grandparents are identified, and it is possible that they are sisters, though there is no record of Joanna's parents.

Adeliza died 1 May 1900 in Worcester, wd of Andrew J, age 68,8,18, b Cumberland RI to Addison Thompson & Sally Hancock, both b C. Siblings: Curtis A McFarland and Orilla McFarland. 1855 and 1860 Census show him living in Lexington and Hopkinton, Middlesex County, MA. 1870 he's in Worcester, Worcester County, 1880 he's in Boston. All this time he is living with his parents. Of course we are missing 1890, but the divorce decree shows his address as Marlborough, Middlesex County, MA. 1900 Census shows him in Brookfield, Worcester County, MA living there as a boarder. And now the interesting part: 1910 and 1920 Census show him living as a boarder in St Joseph, Buchanan County, MO. After that I lose him.

August 2014 update from Sharon: I found him! Through Find A Grave, then I called the state hospital where he died and I ordered a copy of his death certificate.

He died Feb. 11, 1926 in the Springfield State Hospital in Sykesville, MD. I called the hospital and of course they could only give me limited info, but....when they told me what info was on his death record, I said can you at least tell me if his parents were Andrew J McFarland and Adeliza Thompson. And they were able to confirm that. I also asked them if the record shows that he was born in MA in 1854 and they said yes. So then I called MD vitals and I have a copy of his death certificate coming any day now. He is also buried right there on the hospital grounds in Sunrise Cemetery, plot 140. No headstone. Patients didn't have them I was told. Just a stone on the ground I guess.

I would love to know what ever made this man leave his wife and children. Something I will probably never know. And also, what took him to MO and to MD. Could be other states that I am not aware of, but according to the census, in 10 year intervals, I think he was pretty much right in ME, MA, MO and then MD. Just can't imagine ever leaving your family. So many unanswered questions.

The Eastern Gazette 2-28-1907, p.5 DOD 1907-02-22 Dexter: Mrs. Ruby Jumper Safford who passed away on Friday afternoon at her home on Free St. was born in Dexter March 28, 1817, the third child of Edmund and Sally Jumper. [D/C adds of apoplexy] She was one of a family of ten children, only one of whom, the eldest, Mrs. Abigail D. Sturtevant of this town, is living. She was married to Hiram Safford who passed away about ten years ago. Her long life was spent in this vicinity and most of it in this town. She had ten children, four of whom are living: Mrs. Helen Dove of Upton, Mass., Mrs. Ruby Campbell of this town, with whom she lived, Mrs. Sarah Bellows of Worcester, Mass., and Charley Safford of Westbrook. There are twenty grandchildren and two great-grand-children. Mrs. Safford was a woman of exceptionally fine qualities and drew about her a large circle of devoted personal friends. She was quiet and unassuming in manner, dearly beloved by those who knew her best. Her mind was clear to the last and she carried her weight of years as a crown. Tenderly cared for by her daughter, her last days were full of brightness and peace. She trusted in her Saviour, and was ready for the Master's call. Funeral services were held from the home Monday at 2 p. m., Rev. Stanley Gates Spear officiating. Musical selections were rendered by Mrs. S. L. Small and Mrs. W. H. Carr. The bearers were Samuel Eldridge, Charles Favor, E. H. Jones and A. W. Kimball. There were many beautiful floral offerings, emblematic of the grace and beauty of the life that had gone. The aged sister, the children and many relatives have the sympathy of all in their loss.

Grace married **Roland Eaton RHOADES**, son of **John Bryant RHOADES** and **Nancy Bruce REYNOLDS**, 29 Mar 1911 in Brooks, Waldo, ME. Roland was born 2 Jun 1867 in Winslow, Kennebec, ME and died 2 Jun 1913 in Pittsfield, Somerset, ME.

Transcript of his obituary in The Pittsfield Advertiser, June 5 1913 . "The death of Roland E Rhoades occurred at 6:15 A.M. Monday at his home on North Main street after an illness of about a week. Mr Rhoades, who was a jeweler, was well known in this section of the state, having been in business at various times in Pittsfield. He was considered something of a genius, and had invented several articles, some of them having been sold for a good sum. He leaves a wife, a small son, a daughter by a former marriage, and one brother, John Rhoades of this town. His age was 45 years. Funeral services were held at his home at 10 o'clock Wednesday forenoon, Rev F.S. Walker officiating. Interment was made at the village cemetery."

Roland and son Ivan are both buried in Pittsfield Village Cemetery, but it appears there is no stone and no record and that the cemetery buried someone else on top of him. Daughter Irma in Pittsfield tried resolving the question with no luck in the 1950s. Rev Frederick S Walker was a Universalist minister, at Pittsfield Universalist 1908-1915, and later at Waterville 1925-1928. Roland and his family worked in textile shops in his early years. Roland's first patent for which we find a record was filed Jan 9 1891 when Roland was age 24 and granted Jan 26 1892. It was for an improvement upon the loom.

Roland Eaton Rhoades was named after Roland L Eaton (1835-1870), son of the Rhoades family's good friends and cousins by marriage, Joseph Eaton (1800-1865) and Mary A (1809-1868). The Eatons are all in Fort Hill Cemetery in Winslow.

April 1910 Belfast Ward 2 census lists Roland E Rhodes 41 div rents at 71 1/2 High St and is a jeweler, repair work, working on own account. Not found 1900.

Roland is listed in The Maine State Directory & Gazeteer 1893, p 282, and 1894 p 333, and 1895 p311 on Main St in Pittsfield, under Jewelry, Watches, etc. 1898 Worcester MA p411 has a Roland E Rhoades, loomsetter, 123 Tainter, bds. 32 Grand. 1907 Worcester p592 has a Roland E Rhoades, rem'd from city.

Annie L Rhoades divorced Roland E Rhoades for "gross and confirmed habits of intoxication", granted 14 Jan 1899. Damages \$25. Annie m2 Howard Jacobs 24 Dec 1901 Pittsfield.

Roland was 35 div jeweler, father b Fairfield, mother b Winslow. 1920 Pittsfield census lists Orin L Soule 77 & Eliza 75. 1900 Palmyra census lists Orin March 1842, Elizabeth Jan 1845 md 26y, 4-3ch, Orin A Crosby grandson Apr 1889. Orin Soule was the son of Rufus, a Mayflower descendant. L Mae Rhoades sued Roland E Rhoades for divorce in Kennebec Co court, for desertion, vol X-p23, granted 29 Sept 1910. Divorce record says they were married 8 Jan 1900, but m/c says 8 June 1902 in Newport. Found no further mar or death rec for Lillie, under any last name. The Soule family is buried in Spring Hill Cem in Palmyra, with Lillian's name on the monument with no death date. Orin L 1846-1920; Eliza J 1844-1925.

Family legend, as told by his wife Grace who lived until 1966, says that Roland was friends with Thomas Alva Edison, and that's why his son's middle name is Edison. Roland was a jeweler who worked on clocks. Grace Flagg was a schoolgirl, 27 years younger than him, who walked home past his jewelers shop in Belfast. They fell in love despite the age difference and got married. Grace also said that he was an alcoholic (also proven in the divorce record of his first wife), and had blinding migraine headaches. A family story passed down is that she being still a girl and not knowing better, as a tidy person, she emptied the little bit of rat poison left over into an old aspirin bottle to make more room. During his headaches, Roland would blindly reach into the medicine cabinet and feel around for the aspirin bottle and mistakenly took the rat poison which killed him. Grace remarried three more times.

Melvin married **Alice Mae SHEA**, daughter of **Bert Alphous SHEA** and **Eugenia Mae NEPTUNE**, 27 May 1948 in Portsmouth, Rockingham, NH. Alice was born 10 Jun 1925 in Augusta, Kennebec, ME and died 25 Mar 2013 in Gardiner, Kennebec, ME.

GARDINER -- Alice Mae (Shea) Flagg passed away peacefully on Monday, March 25, 2013, with her loving children by her side. She was born June 10, 1925, in Belfast, the daughter of Albert and Eugenia (Neptune) Shea. She started her working career as a welder for Bath Iron Works during World War II, the group known as "Rosie the Riveter." She also worked at Taylor and Eaton Shoe Co. and then devoted her time to become a homemaker and "Gram." She enjoyed many years of camp life teaching her grandchildren, not only how to fish and hunt, but to play cribbage, along with her best friend and soulmate Mel. She was very proud of her Penobscot Indian heritage that enabled her to send her grandchildren to college. She was a longtime member of Highland Avenue Methodist Church and past member of the Gardiner Lioness club.

She was predeceased by her husband, Melvin F. Flagg; and her brothers, Junior "Bert" Shea, Roy Shea and Sonny Shea; and sisters, Mickey Hamlin and Billie Munn.

She is survived by her sons, Ronald Sencabaugh, and companion Cathy, Gary Sencabaugh and companion Carol, and Bryan Flagg and wife Sherry; and her daughter, Brenda Guay, and her husband, Ron. She is also survived by 12 grandchildren; 25 great-grandchildren; and five great-great-grandchildren.

Y-DNA testing at FTDNA, corroborated by testing a cousin's Y and autosomal, determines that Grace's husband Roland Rhoades was not the father, a Mr Peavey was. Family photo comparisons of facial features helps to confirm. Further research now takes this line back, and getting dna matches and family photos from this family to confirm the match.

In the spring of 1954 the family, Roland, Marion, dau Lynda and son Roland and family all moved to Phoenix AZ where Ed Boudway said there were jobs. They lasted 3 months before homesickness got them and they moved back to Maine where all their friends and family were. An old photo album says they left Maine April 5 and arrived in Phoenix April 11; they left Phoenix July 22 and got home July 28, 1954. They lived at 3112 E Diamond St. The address on Google Earth in 2012 looks unrecognizable.

Roland and Marion are buried at Maine Avenue Cemetery, Farmingdale ME. Marion's memorial and story is at [www.RolandRhoades.com/nana.htm](http://www.RolandRhoades.com/nana.htm). Roland was a member of the Pipefitters Union, traveling to many places for work. Being a union member, the family has always been strongly Democratic politically. Worked at Bath Iron Works, and helped build the St Lawrence Seaway in NY in the 1950s or 1960s. While at BIW, someone came up to him and said I think I know your sister. He replied, I don't have a sister. This was when he first learned that he did have a half-sister via his father's first marriage, Irma Rhoades Wall Butler. She visited and a group family photo is on my Rhoades family webpage. Roland Sr died when he was less than 2 years old. Roland was named after Thomas Edison because his father had worked with and thought highly of him. Roland was also a member of the Freemasons, though I don't recall him ever mentioning it; The Maine Mason magazine just kept coming in the mail. He loved to eat and would have spaghetti eating contests with the Boudway side of the family (Butch Nuzzo). He and Marion bought their house at 133 Northern Avenue Farmingdale [83 after 911 change] around 1933 and lived there their whole lives, until Marion sold it in 2003.

I remember that their phone # when I was a kid was simply "768M", a party line that was frequently being used by a neighbor when you wanted to use it.

My grandfather Roland in a 1990 tape said that he went back and forth from his mother's to his grandmother's and Uncle John's homes (Flagg side). Quit school at 14 to work. Lots of different schools. Remembers an Uncle Lent, and an Uncle Eanus who carved stuff, even wooden chains.

Roland married **Marion Frances BOUDWAY**, daughter of **Frank Edward BOUDWAY** and **Agnes "Aggie" Elizabeth PETERSON**, 14 Dec 1929 in Hallowell, Kennebec, ME. Marion was born 27 Sep 1911 in Farmingdale, Kennebec, ME and died 9 Jan 2008 in Augusta, Kennebec, ME.

MAINE SOCIAL section of Kennebec Journal: Rhodes-Boudway Gardiner, Dec 16 - Miss Marion Boudway and Roland Rhodes, both of this city, were married in Hallowell by Rev Nutter Saturday evening at 7:15. They were attended by the bride's father Frank Boudway, and Mr Rhodes' mother. Intimate friends of the bride and bridegroom were present at the ceremony. The newlyweds will live at 117 Northern Avenue, with Mrs Boudway's father.

Genetic tree: 5'2 1/2"; wt 130-150; brown hair/eyes; asthma, allergies, arthritis, bad back; cataracts. She loved chocolate, but was allergic. Her son Roland took a 23&Me DNA test which identifies his maternal Mtdna line as U2e, which is therefore also Marion's through Peterson, Gross, Borjesson. Her daughter Lynda took the Full Mtdna test at FTDNA, and was determined to be U2e2a1a. Haplogroup U2 arose in the Near East about 45,000 years ago. U2e is one of the oldest haplogroups in Europe. It appears to have reached there with some of the continent's first modern human settlers about 35,000 years ago, at a time when Neanderthals were the only Europeans. By the time of the Neanderthals' extinction about 28,000 years ago, haplogroup U2e was probably distributed across much of Europe. But today, thanks to the subsequent arrival of many other haplogroups, it has become relatively rare. U2e reaches its highest levels in places like the town of Murlo, where many inhabitants are thought to be descended from the pre-Roman Etruscan people. It is also relatively common among the Udmurts and Mordvinians, who live in the Volga River drainage and Ural Mountain regions.

M i. **Roland<sup>3</sup> Edward RHOADES** was born 5 Jun 1930 in Gardiner, Kennebec, ME and died 7 May 2017 in Franklin, Merrimack, NH.

Roland attended Farmingdale and Gardiner schools, graduating from Gardiner High School in 1947. Served in the US Army Air Corps, in charge of sled dogs in Labrador. In many circles, he was known as "Dusty" as in "dusty roads". He moved to Dover NH in 1955 and East Rochester NH in 1959. He worked at GE in Somersworth NH for 11 years. He was a licensed electrician, carpenter and general contractor, a co-owner of a couple companies. He and Muriel were also owners of Hilltop Recreation Center in Somersworth NH, which he built from the ground up in the 1960s to include a golf driving range, go-karts, baseball and softball batting cages, and "Space Age" miniature golf. That was a major news attraction; each hole had a giant theme, like a flying saucer large enough to walk through, that airplane pilots said they used as a bearing for landing at the Rochester airport. It also had space creatures and planets made from steel, chicken wire and mortar. His children always had summer jobs! He was also an Eagle Boy Scout, Order of the Arrow; Scoutmaster in Gardiner ME and Salmon Falls NH; Cubmaster in East Rochester; and served on the vestry as Jr and Sr Warden of the Episcopal Church in Rochester. He converted their summer camp in Sanford to year-round and moved from East Rochester in 1980. He sold his business and retired to Lakeland FL around 1985 in a retirement park where he has been President of the Shuffleboard Club, with many trophies. He and Muriel have led a very active life in the Florida warmth; it's hard to ever find them home. In January 2011, they sold their home in Lakeland and moved in with daughter Nancy in NH.

RANDOLPH - Syrena J. Flagg, 86, passed away peacefully on Thursday, Aug. 3, 2017, at home, where during her final days she was surrounded by her family and loved ones.

She was born Dec. 1, 1931, in Gardiner. She was the daughter of the late Leland and Jeanette Ulmer. Syrena grew up in Randolph and graduated from Gardiner Area High School. She then went on to work for the State of Maine Bureau of Public Improvements, retiring in 1991 with 41 years of service.

In 1950, Syrena married Carroll W. Flagg. They were married for 57 years, until his passing in 2007.

During her lifetime, she and Carroll enjoyed many activities. When their children were young, they spent numerous family vacations traveling and camping throughout Maine and Canada. There also were several years of fun family times at their camp on Sheepscot Lake.

One of her greatest joys was watching her granddaughters in their sporting events, along with being an avid fan of professional golf, the Boston Red Sox and the New England Patriots.

Christmas was her favorite time of year. She prepared for it all year long to make it a special time for her family, and they always treasured those times together.

After losing the love of her life, she reconnected with an old friend, Bill Garside. Together they enjoyed a good companionship that included traveling and attending musical events. Most recently, she met many new friends through attending services at the Highland Avenue Methodist Church and being a member of the Red Hat Society.

She was predeceased by her parents, her husband Carroll, and three sisters, Lois Curtis, Deanie Weed and Ruby Goggin. She is survived by one brother, Walter ("Bucky") Ulmer, and his wife Lorna, of Randolph; son, Wayne C. Flagg, and his wife Joyce, of South Hutchinson Island, Fla.; daughter, Pamela Flagg-Shaw, of Randolph; two granddaughters, Ginna Dix and her husband Matt, of Sidney; and Nicole Jehlen and her husband Jay, of Hewitt, N.J.; along with several nieces and nephews.

A service was held at the Gardiner Highland Avenue United Methodist Church on Wednesday, Aug. 9, followed by a committal service at the Oak Grove Cemetery in Gardiner.

The Grand Lodge of Freemasons can be reached via grandlodge@mainemasons.org and their website has a growing selection of records. Chuck Ridlon of Maine Masons (& NALF member) emailed Roland: "Their website has his initial card from Waterville Lodge 33, he took his 1st degree May 25, 1914; his 2nd degree June 8, 1914; and his 3rd degree, June 15th, 1914. Usually they have to wait 2 weeks between degrees, so this tells me maybe he was leaving for the service so they only left 1 week between his 2nd & 3rd degree."

wife and child, was a Sergeant in Canadian Infantry; medium height and build, blue eyes, dark red hair. Family: 5'11", balding. Carole adds, strawberry blonde to red brown hair.

William graduated from the University of New Brunswick. Birth recorded in Upton VR v360 p386, year 1885 confirmed. Birth record has parents as William Robertson b ME & Alice F Roberts b Dexter ME (sic; she probably said her married name Robertson, then changed it, but the clerk had already started writing it. Alice Florilla Safford WAS b Dexter.). William m2 Helen Elwell (Mrs Cousens) in Gardiner ME 15 June 1940. She m3 Howard Kelley (10 Jan 1891 - April 1983 Warwick RI). Helen and Howard would come to East Rochester to visit the Rhoades family occasionally.

William Lewis Robertson's d/c says he resided at 3 Cobbossee Ave; his wife Helen Cousens was 49; he was b West Upton Mass, and he was District Supt CMP Co. His father was a sea captain b NB and mother Alice Safford b NB [sic]. He died of Pulmonary thrombosis, and prostate cancer. His prostate cancer metastasized to his ribs (which broke when he tried to get out of the car) and spine.

Memories from dau Muriel: How did he meet Helen and where did the big house on the hill (3 Cobbossee Ave) come from? Helen might have been one of the housekeepers. They lived on Central St/Water St in Gardiner, house belonged to Helen, it was a Cousens' house. She worked in a factory office on Water St. Helen's mother was nice, they called her Nana. Muriel and Martha mowed the big steep lawn by hand. William remodeled the house. It burned ca 2010 and was rebuilt.

Carole Hanson Guentert writes in her book *Hansons of York Maine*, p84-92: "Will introduced an unpopular step-mother into the Robertson girls' lives when he remarried a few years later. I remember Grandfather Robertson as a tall friendly man (Mom's childhood friend Edith Sanborn described him as "impressive"), who brought 3-foot tall dolls to Peggy and me for Christmas and on our birthdays. He was married to Helen Cousens by that time, and I spent time at their house on the hill in Gardiner Maine (Cobbossee Stream) in the summertime, though my mother never liked her step-mother, and we weren't allowed to either. My mother could really hold a grudge about that, but it may have been well-deserved. Mom would tell of the huge strawberry shortcakes that her Dad would serve up in soup bowls, because he didn't want his girls to suffer deprivation like he did when he was a boy. When his father remarried, his step-mother cut him off from any financial help for college, so he got a loan from his employer, Ganong's Candy factory in St Stephen NB. Some letters from William are also reproduced in the book.

From MAINE BIOGRAPHIES, republished 2002 in two volumes, was originally published as v3 of Maine Resources, Attractions, and it's People, by Harrie B Coe 1928, v1 p379:

Edith & William are buried in the family plot with her parents at Pine Grove Cemetery Lot 548, Waterville. The April 1 1926 Kennebec Journal p2 has the Skowhegan local news, with an article headlined "Easter Concert at Federated Church". Mrs Edith Robertson played "Faith", and Jeannette Robertson was one of the "Lilies of the Field".

Genetic tree: 5'0"; wt 100; brown hair. COD septicaemia, possibly acutely infected gall bladder attack. Cousin Carole Guentert adds, On Edith, I heard via Mom that she died of septicemia after her gall bladder surgery as her older retired former employer Dr E. P. Fish, did the surgery as a favor and left "the proverbial sponge" in the surgical site, causing the massive infection. He realized he was too old to be performing surgery, but she wouldn't have anyone else do it. Daughter Marguerite was at her hospital bedside when she passed.

Carole also adds (p84 of her book Hansons of York Maine), "I found that my maternal grandmother, Edith Leavitt Robertson, kept a Shakespeare birthday book with both joyous and sad entries. She made shorthand entries in her memory book on Jan 11 and 18, 1914 that read "Will spoke to me but I decided it was best to wait a month but I only waited a week" and "Will asked me to be his wife. I would not have the slightest idea that he cared for me. I feel sure that he does love me." On Jan 25, 1914, Edith entered "I had my ring. It was put on with a kiss. I think it's a beauty. I do love him." She never entered their wedding date, Nov 11, 1914 in this book."

Children from this marriage were:

- F i. **Marguerite "Marge" Edith ROBERTSON** was born 31 Oct 1916 in Waterville, Kennebec, ME and died 11 Mar 1990 in York, York, ME.

The same April 1 1926 Kennebec Journal which mentions her mother and sister on p2 Skowhegan news has the headline "Suffers from badly scalded foot and ankle". "Miss Marguerite Robertson met with a painful accident recently, one which might have resulted much more seriously than it did. The little Miss came in from outside where she had been playing and in throwing off her coat caught it on a pail of boiling water, on the heater close by. The contents overturned upon her foot and ankle, which were badly burned. While she is improving, the foot is painful."

Genetic tree: brown hair; angina. Daughter Carole says: Marge had hazel/green eyes I think and "mousey brown" hair. Her cause of death was lung cancer as the primary site but it spread up her spine to the brain. She had larger hands, as I noticed at her wake and her shoes were size 9+ as was her ring size; not a small woman, size 14 at later years and Mom was 5'6" or 7". (Son) Dennis' hand situation (no fingers on one hand) was thought to be the result of Mom having German measles while pregnant, tho' I'm not sure that is so.

Marguerite married **James Dennis HANSON**, son of **Augustine Charles "Gus" HANSON** and **Katherine DOYLE**, 27 May 1940 in Gardiner, Kennebec, ME. James was born 14 Nov 1913 in York, York, ME and died 19 Dec 1999 in Lakeland, Polk, FL.

FTDNA test results: Maternal Haplogroup is H6a1a2a. [My maternal cousins will be the same - Robertson > Leavitt > Stinneford > Trafton > Penney > Gowen > Cole > Spencer 1698.] H6 is one of the oldest branches of haplogroup H. Its age is estimated at around 26,000 years. It is one of the most frequent branches of H found among Arabian lineages, and is the most frequent branch among those found in Central Asia. It likely originated in the Middle East or Central Asia. H6 is also found at very low frequencies in Europe. I have also uploaded my data to the mtDNA Community website for additional analysis.

range, go-karts, baseball and softball batting cages, and "Space Age" miniature golf. That was a major news attraction; each hole had a giant theme, like a flying saucer large enough to walk through, that airplane pilots said they used as a bearing for landing at the Rochester airport. It also had space creatures and planets made from steel, chicken wire and mortar. His children always had summer jobs! He was also an Eagle Boy Scout, Order of the Arrow; Scoutmaster in Gardiner ME and Salmon Falls NH; Cubmaster in East Rochester; and served on the vestry as Jr and Sr Warden of the Episcopal Church in Rochester. Duke, born on Christmas Day 1930, was raised in Melrose. He shared many happy childhood experiences with his sister Flo and brother George. It was at Lincoln Elementary School in Melrose where he met his lifelong friend and "partner in crime" Donald "Cookie" Corcoran. He graduated from Melrose High School in 1948 where he was a sprinter with the Track and Field Team. After graduating he enlisted in the Navy and served with the Seabees for two years. An avid snowbird for the past sixteen years, Duke enjoyed winters at his condo in Fort Lauderdale where he enjoyed shared dinners, reminiscing with old friends and sitting in the sunshine with his Sudoku puzzles. Oftentimes, he was joined by his companion, Mary Cail of Melrose. She was his constant and loving friend and they shared the last nineteen years together going to countless hockey games, rooting for the Red Sox together and enjoying time with family and mutual friends.
