No record of his children has been found, either at Windsor, China, or Etna, nor does anything appear regarding him in the probate registry of Penobscot Co. [The book presumed the first wife, unknown, had died, but we know her name and remarriage.]" Windsor or China Vital Records microfilm shows intentions of Hiram and his brother Seth, one after the other: "Mr Seth Hollowa of China and Miss Abigail Rollins of Augusta intend marriage Jany 1, 1828. Tho Burrill Clerk. Mr Hiram Hollowa of China and Miss Joanna Day of Windsor intend marriage Jany 1, 1828. Tho Burrill Clerk." No divorce for Hiram found in Maine Divorces. China, Windsor and Augusta are all together in eastern Kennebec county. 1840 China census: Hiram Holloway 1 M 20-30, no family members. 4 other Holloways also listed (alphabetically by last name in town) - see father's listing. Some are brothers, some not sure. 1850 Etna census Lucinda and 3 ch w/o Hiram; liv next to Hiram's sister Ruth who md her cousin James. Lucinda and ch not found after 1850. Page 129 also lists another potential child, Irena, age 17 in the 1850 China census, and Belfast records her marriage intention as Irene A Holway & Francis A Glidden, 12 Apr 1852.

Hiram married **Joanna DAY** 1 Jan 1828 in , , ME. Joanna was born circa 1810 in , , ME and died after 1850.

Joanna's son John Hiram (Hiram J) married Nancy French, dau of Nathaniel's brother Abraham. Hiram's brother John married Elizabeth/Eliza Day whose parents and grandparents are identified, and it is possible that they are sisters, though there is no record of Joanna's parents. 1840 Belfast census shows a Widow J D French: Males: 1 5-10, 1 10-15; Females: 2 5-10, 1 30-40 [correct age]. The Nathaniel French b 1787 instead of the one b 1806, is the one who married Joanna Day Hollowell in 1838 Belfast. Timing is right with him seeming to die shortly after. See Belfast Marriages p159: Mrs Joanna E French had 3 other possible marriages 1840, 1842, and 1843. 1840 int; 1842 int "revoked by Mrs J E French"; 1843 was mar int to Samuel Parker of Augusta and a cert was issued June 3. Any trace in 1850 census? 1850 Augusta census shows a Samuel Parker 68 at the Poor Farm; ditto age 75 in 1860; no Joanna.

Etna VR p34, md by Elathan Moseley JP. James could be brother of Lucinda Durgin who md Hiram Hollowell. Ruth's placement here is circumstantial with room in 1810 census listing (1820?). 1850 census is enough confirmation I believe. Holloway Genealogy p91 also places Ruth in this family and that she md a Mr Whitney.

Adeliza died 1 May 1900 in Worcester, wd of Andrew J, age 68,8,18, b Cumberland RI to Addison Thompson & Sally Hancock, both b C. Siblings: Curtis A McFarland and Orilla McFarland. 1855 and 1860 Census show him living in Lexington and Hopkinton, Middlesex County, MA. 1870 he's in Worcester, Worcester County, 1880 he's in Boston. All this time he is living with his parents. Of course we are missing 1890, but the divorce decree shows his address as Marlborough, Middlesex County, MA. 1900 Census shows him in Brookfield, Worcester County, MA living there as a boarder. And now the interesting part: 1910 and 1920 Census show him living as a boarder in St Joseph, Buchanan County, MO. After that I lose him.

August 2014 update from Sharon: I found him! Through Find A Grave, then I called the state hospital where he died and I ordered a copy of his death certificate.

He died Feb. 11, 1926 in the Springfield State Hospital in Sykesville, MD. I called the hospital and of course they could only give me limited info, but....when they told me what info was on his death record, I said can you at least tell me if his parents were Andrew J McFarland and Adeliza Thompson. And they were able to confirm that. I also asked them if the record shows that he was born in MA in 1854 and they said yes. So then I called MD vitals and I have a copy of his death certificate coming any day now. He is also buried right there on the hospital grounds in Sunrise Cemetery, plot 140. No headstone. Patients didn't have them I was told. Just a stone on the ground I guess.

I would love to know what ever made this man leave his wife and children. Something I will probably never know. And also, what took him to MO and to MD. Could be other states that I am not aware of, but according to the census, in 10 year intervals, I think he was pretty much right in ME, MA, MO and then MD. Just can't imagine ever leaving your family. So many unanswered questions.

He leaves a wife, a small son, a daughter by a former marriage, and one brother, John Rhoades of this town. His age was 45 years. Funeral services were held at his home at 10 o'clock Wednesday forenoon, Rev F.S. Walker officiating. Interment was made at the village cemetery."

Roland and son Ivan are both buried in Pittsfield Village Cemetery, but it appears there is no stone and no record and that the cemetery buried someone else on top of him. Daughter Irma in Pittsfield tried resolving the question with no luck in the 1950s. Rev Frederick S Walker was a Universalist minister, at Pittsfield Universalist 1908-1915, and later at Waterville 1925-1928. Roland and his family worked in textile shops in his early years. Roland's first patent for which we find a record was filed Jan 9 1891 when Roland was age 24 and granted Jan 26 1892. It was for an improvement upon the loom.

Roland Eaton Rhoades was named after Roland L Eaton (1835-1870), son of the Rhoades family's good friends and cousins by marriage, Joseph Eaton (1800-1865) and Mary A (1809-1868). The Eatons are all in Fort Hill Cemetery in Winslow.

April 1910 Belfast Ward 2 census lists Roland E Rhodes 41 div rents at 71 1/2 High St and is a jeweler, repair work, working on own account. Not found 1900.

Roland is listed in The Maine State Directory & Gazetteer 1893, p 282, and 1894 p 333, and 1895 p311 on Main St in Pittsfield, under Jewelry, Watches, etc. 1898 Worcester MA p411 has a Roland E Rhoades, loomsetter, 123 Tainter, bds. 32 Grand. 1907 Worcester p592 has a Roland E Rhoades, rem'd from city.

Family legend, as told by his wife Grace who lived until 1966, says that Roland was friends with Thomas Alva Edison, and that's why his son's middle name is Edison. Roland was a jeweler who worked on clocks. Grace Flagg was a schoolgirl, 27 years younger than him, who walked home past his jeweler's shop in Belfast. They fell in love despite the age difference and got married. Grace also said that he was an alcoholic (also proven in the divorce record of his first wife), and had blinding migraine headaches. A family story passed down is that she being still a girl and not knowing better, as a tidy person, she emptied the little bit of rat poison left over into an old aspirin bottle to make more room. During his headaches, Roland would blindly reach into the medicine cabinet and feel around for the aspirin bottle and mistakenly took the rat poison which killed him. Grace remarried three more times.

Y-DNA testing at FTDNA, corroborated by testing a cousin's Y and autosomal, determines that Grace's husband Roland Rhoades was not the father, a Mr Peavey was. Family photo comparisons of facial features helps to confirm. Further research now takes this line back, and getting dna matches and family photos from this family to confirm the match.

In the spring of 1954 the family, Roland, Marion, dau Lynda and son Roland and family all moved to Phoenix AZ where Ed Boudway said there were jobs. They lasted 3 months before homesickness got them and they moved back to Maine where all their friends and family were. An old photo album says they left Maine April 5 and arrived in Phoenix April 11; they left Phoenix July 22 and got home July 28, 1954. They lived at 3112 E Diamond St. The address on Google Earth in 2012 looks unrecognizable.

Roland and Marion are buried at Maine Avenue Cemetery, Farmingdale ME. Marion's memorial and story is at [www.RolandRhoades.com/nana.htm](http://www.RolandRhoades.com/nana.htm). Roland was a member of the Pipefitters Union, traveling to many places for work. Being a union member, the family has always been strongly Democratic politically. Worked at Bath Iron Works, and helped build the St Lawrence Seaway in NY in the 1950s or 1960s. While at BIW, someone came up to him and said I think I know your sister. He replied, I don't have a sister. This was when he first learned that he did have a half-sister via his father's first marriage, Irma Rhoades Wall Butler. She visited and a group family photo is on my Rhoades family webpage. Roland Sr died when he was less than 2 years old. Roland was named after Thomas Edison because his father had worked with and thought highly of him. Roland was also a member of the Freemasons, though I don't recall him ever mentioning it; The Maine Mason magazine just kept coming in the mail. He loved to eat and would have spaghetti eating contests with the Boudway side of the family (Butch Nuzzo). He and Marion bought their house at 133 Northern Avenue Farmingdale [83 after 911 change] around 1933 and lived there their whole lives, until Marion sold it in 2003.

I remember that their phone # when I was a kid was simply "768M", a party line that was frequently being used by a neighbor when you wanted to use it.

My grandfather Roland in a 1990 tape said that he went back and forth from his mother's to his grandmother's and Uncle John's homes (Flagg side). Quit school at 14 to work. Lots of different schools. Remembers an Uncle Lent, and an Uncle Eanus who carved stuff, even wooden chains.

Roland married **Marion Frances BOUDWAY**, daughter of **Frank Edward BOUDWAY** and **Agnes "Aggie" Elizabeth PETERSON**, 14 Dec 1929 in Hallowell, Kennebec, ME. Marion was born 27 Sep 1911 in Farmingdale, Kennebec, ME and died 9 Jan 2008 in Augusta, Kennebec, ME.

MAINE SOCIAL section of Kennebec Journal: Rhodes-Boudway Gardiner, Dec 16 - Miss Marion Boudway and Roland Rhodes, both of this city, were married in Hallowell by Rev Nutter Saturday evening at 7:15. They were attended by the bride's father Frank Boudway, and Mr Rhodes' mother. Intimate friends of the bride and bridegroom were present at the ceremony. The newlyweds will live at 117 Northern Avenue, with Mrs Boudway's father.

Genetic tree: 5'2 1/2"; wt 130-150; brown hair/eyes; asthma, allergies, arthritis, bad back; cataracts. She loved chocolate, but was allergic. Her son Roland took a 23&Me DNA test which identifies his maternal Mtdna line as U2e, which is therefore also Marion's through Peterson, Gross, Borjesson. Her daughter Lynda took the Full Mtdna test at FTDNA, and was determined to be U2e2a1a. Haplogroup U2 arose in the Near East about 45,000 years ago. U2e is one of the oldest haplogroups in Europe. It appears to have reached there with some of the continent's first modern human settlers about 35,000 years ago, at a time when Neanderthals were the only Europeans. By the time of the Neanderthals' extinction about 28,000 years ago, haplogroup U2e was probably distributed across much of Europe. But today, thanks to the subsequent arrival of many other haplogroups, it has become relatively rare. U2e reaches its highest levels in places like the town of Murlo, where many inhabitants are thought to be descended from the pre-Roman Etruscan people. It is also relatively common among the Udmurts and Mordvinians, who live in the Volga River drainage and Ural Mountain regions.

Children from this marriage were:

- M i. **Roland<sup>3</sup> Edward RHOADES** was born 5 Jun 1930 in Gardiner, Kennebec, ME and died 7 May 2017 in Franklin, Merrimack, NH.

Roland attended Farmingdale and Gardiner schools, graduating from Gardiner High School in 1947. Served in the US Army Air Corps, in charge of sled dogs in Labrador. In many circles, he was known as "Dusty" as in "dusty roads". He moved to Dover NH in 1955 and East Rochester NH in 1959. He worked at GE in Somersworth NH for 11 years. He was a licensed electrician, carpenter and general contractor, a co-owner of a couple companies. He and Muriel were also owners of Hilltop Recreation Center in Somersworth NH, which he built from the ground up in the 1960s to include a golf driving range, go-karts, baseball and softball batting cages, and "Space Age" miniature golf. That was a major news attraction; each hole had a giant theme, like a flying saucer large enough to walk through, that airplane pilots said they used as a bearing for landing at the Rochester airport. It also had space creatures and planets made from steel, chicken wire and mortar. His children always had summer jobs! He was also an Eagle Boy Scout, Order of the Arrow; Scoutmaster in Gardiner ME and Salmon Falls NH; Cubmaster in East Rochester; and served on the vestry as Jr and Sr Warden of the Episcopal Church in Rochester. He converted their summer camp in Sanford to year-round and moved from East Rochester in 1980. He sold his business and retired to Lakeland FL around 1985 in a retirement park where he has been President of the Shuffleboard Club, with many trophies. He and Muriel have led a very active life in the Florida warmth; it's hard to ever find them home. In January 2011, they sold their home in Lakeland and moved in with daughter Nancy in NH.

Its age is estimated at around 26,000 years. It is one of the most frequent branches of H found among Arabian lineages, and is the most frequent branch among those found in Central Asia. It likely originated in the Middle East or Central Asia. H6 is also found at very low frequencies in Europe. I have also uploaded my data to the mtDNA Community website for additional analysis.

RANDOLPH - Syrena J. Flagg, 86, passed away peacefully on Thursday, Aug. 3, 2017, at home, where during her final days she was surrounded by her family and loved ones.

She was born Dec. 1, 1931, in Gardiner. She was the daughter of the late Leland and Jeanette Ulmer. Syrena grew up in Randolph and graduated from Gardiner Area High School. She then went on to work for the State of Maine Bureau of Public Improvements, retiring in 1991 with 41 years of service.

In 1950, Syrena married Carroll W. Flagg. They were married for 57 years, until his passing in 2007.

During her lifetime, she and Carroll enjoyed many activities. When their children were young, they spent numerous family vacations traveling and camping throughout Maine and Canada. There also were several years of fun family times at their camp on Sheepscot Lake.

One of her greatest joys was watching her granddaughters in their sporting events, along with being an avid fan of professional golf, the Boston Red Sox and the New England Patriots.

Christmas was her favorite time of year. She prepared for it all year long to make it a special time for her family, and they always treasured those times together.

After losing the love of her life, she reconnected with an old friend, Bill Garside. Together they enjoyed a good companionship that included traveling and attending musical events. Most recently, she met many new friends through attending services at the Highland Avenue Methodist Church and being a member of the Red Hat Society.

She was predeceased by her parents, her husband Carroll, and three sisters, Lois Curtis, Deanie Weed and Ruby Goggin. She is survived by one brother, Walter ("Bucky") Ulmer, and his wife Lorna, of Randolph; son, Wayne C. Flagg, and his wife Joyce, of South Hutchinson Island, Fla.; daughter, Pamela Flagg-Shaw, of Randolph; two granddaughters, Ginna Dix and her husband Matt, of Sidney; and Nicole Jehlen and her husband Jay, of Hewitt, N.J.; along with several nieces and nephews.
