Marriage notice found in Helen Harris' files (evidently a Lynn paper): Popular Employee of Printery Marries Recruiting Officer. A wedding which is of interest to many young people in this city, was solemnized yesterday afternoon at the Washington St. Baptist Church parsonage on Richmond street when Roy Edward Harris of Lancaster was united in marriage to Miss Hilda Oakes. The ceremony took place at 4:30 and the Rev A E Kenyon was the officiating pastor [there is a possible Harris-Kenyon connection in RI.] The bride was attended by Mrs Frances Qualey and Mrs L E Williams and in addition to several invited guests, Mrs Harris's Sunday School class was in attendance. The groom was formerly recruiting officer for the United States Army and Navy when the office was located in this city. He won many friends during his residence in this city who will extend congratulations on the event of this auspicious occasion. The bride until recently was

employed in the folding room of the printery and was very popular with her associates. When she concluded her labors last Wednesday she was presented with a beautiful silverset and a complete outfit of table linen as a token of the esteem in which she was held by them and as a suitable remembrance for her wedding. The bride is a native of New Albany, Nova Scotia, and a part of the honeymoon will be spent there. Mr and Mrs Harris left on the 6:20 train for Boston last night and from there they will later go by boat to New Albany.

Much of the family tree and photo identification is thanks to Helen and her fantastic memory even in her mid-90s. One family heirloom is a very nice old rocking chair that Helen told us was made from maple trees on the Oakes family farm in New Albany, probably by Charles Oakes in the late 1800s. Helen re-visited the family farm with a friend at one point (1970s?) and the new owners showed her through the whole house. We also have a porcelain plate on which somebody painted a picture of the whole farm which we used as a guide when we visited Nova Scotia in 2015; it is located on the main road that goes through town.

Seventh Generation (4th Great-Grandparents)

64. John Buckman was born about 1630 and died between 20 Apr and 13 May 1681 in Boston, Suffolk, MA.

General Notes: To date, no marriage records have been found for John and the names of his first two wives are learned from the birth records of his first three children. However the name Hannah and Ann were sometimes interchanged and he may have only been married twice, since no death records have been found for either Hannah or Ann Buckman. There has been speculation that John was the estranged son of William Bucknam of Charlestown, MA. This is disproved by the request to the courts which was filed on June 6, 1695 by William's daughter-in-law Judith requesting subsistence for the tending of her deceased husband's brother John, who had been living with them for 20 years. (Evidently, this John was abducted by his grandmother shortly after his mother's death, raised by her and in 1672, while living at Rehoboth MA, was a partner in a

silver mine at Providence RI. Around 1678 he was "struck dumb" and didn't regain his speech until 1696). Gravesend (Long Island, NY) was divided in 1645 into thirty-nine lots and among those receiving shares were: Richard Stout, John Buckman, Samuel Spicer, Nicholas Stillwell, John Bowne, William Goulding, William Compton, and others whose names are familiar in the early history of Monmouth. The following year, 1646, John Buckman sold his share to Thomas Applegate, who was probably the same Thomas Applegate who, with the colony of Massachusetts Bay in 1635, was licensed to keep a ferry between Weymouth and Braintree.

John Buckman's will, dated 20 April 1681, was allowed 28 July 1681 (Suffolk Co. Probate #1183): In the name of God Amen I John Buckman of Boston in New England Senior being in a Competant measure of health and of a Sound Memory and under understanding yet Considering the frailty of mans life... Doo make and ordaine this to be my last will and testament revoking and Nulling all other willes by me formerly made In manner following First I Bequeath my Soule unto the Everlasting armes of Jesus Christ my Saviour hoping through his grace to obtain Everlasting life when this miserable life is Ended And my body to the Earth from whence it came.. .Item I give and Bequeath my Just debts and funeral expenses first being discharged unto my two children Mary Buckman and Jeremiah Buckman all the Estate I shall leave behind mee at the time of my decease Equally to be divided between them. Only I give unto my Daughter Mary my best furniture besides the said halfe part & a Chest and Drawers belonging to it and I doo make and constitute my lovinge friends Mr. John Viall Junior and Samuell Townsend to be the Executors and overseers of this my last will desiring them to take care that this last will may be performed and that my two children above named may have what I leave behind mee at my decease when they come to age. And In testimony that this is my last will I have hereunto Set my hand & Seale this twentieth day of April 1 -Anno Dm one Thousand Sixe hundred & Eightyand one. 1681. [Samuel Townsend renounced his Executor ship and Thomas Kemble deposed that he and Nicholas Shepley were present at the signing of the will (Case #1183, Recorded. July 20, 1681).]

An inventory of John's estate was performed on May 13, 1681 and consisted of: no real estate; 2 ruggs (00 16 00); 3 shirtes, 3 shoohes, 3 shawls (01 05 00); a parcell of his wearing clothes (01 0000); one old chest of drawers (00 10 00); a meale trough, 2 ironpotts & potthookes tongs & gridiron (00 10 00); one bed, bedstand, 2 pillows, 1 old rugge & some other ould bedding (02 00 00); one ould cubberd (00 05 00); two pewter dishes, 3 earthen dishes & 1 pan (0004 00); one wooden spinning wheele and cards (00 04 00): Total: £0614s 00d. On September 24, 1684 the widow of John Buckman was granted his entire estate since he made no provision for her in his will.
