

MAINE GENEALOGICAL SOCIETY PUBLICATIONS

The Maine Genealogical Society began a program of transcribing town vital records and other books of value for Maine genealogical research in 1985. *Books are hardcover unless noted.* We also cut the non-member retail prices in 2016, and now sell these books at retail to non-members. MGS offers a **membership benefit** of a larger discount while our supply lasts. **In 2015 beginning with Publication #71, we began self-publishing with less overhead as the exclusive source for the books, with lower prices.**
