

John Morgrage of Kittery

First Generation

1. **John MORGRAGE** was born circa 1648 in Chad, Somerset, England and died in Feb 1705/06 in Kittery, York, ME.

See LND - Libby, Noyes, & Davis Gen Dictionary of Maine & NH, Old Kittery & Her Families, VR of Kittery 1991 Frost/MGS p20+, and The Morgrage-Morgridge Genealogy compiled by Rev Charles N Sinnett of Fertile MN, date unk but received by Maine State Library 1 Jan 1925. Also, John Frost of Kittery knew in the 1980s that I was compiling all the Morgridges, so he compiled what he had from his research for me.

There are Mogridges in Gloucester, Essex, MA [CR2 West Parish, West Gloucester] also who just don't fit in, who seem to start with a John MOGRIDGE who md Lydia Davis 20 Sept 1722, making him too old to fit into the established family. I need to check to see if some were possibly unrecorded earlier sons of John or possibly a brother of John. Or maybe John Jr had an earlier marriage. John was 30 when he married Sarah Stevens, maybe he had an earlier family in the Boston area escaping the Indians in Maine. Also need to connect the Goffstown NH Morgrages. Also need to connect Peter Morgrage of Castine ME, who may possibly descend from the Gloucester branch. I am sure they are all related. Land records may help. And DNA tests may help.

Still have much more to record from my old notes, and the proliferation of VR and censuses now available online.

Stevens-Morgrage Genealogy sent to me by Robert Taylor 1986:

"If her own testimony is accurate, Sarah Stevens was born in 1661, the daughter of Thomas Stevens by his first wife. She was perhaps born before her father's arrival in New England. In 1678, when 17, she was married to John Morgrage.

He was born about 1648, probably in Somerset England where others of the Maine have been found (although there have been variant spellings of the name in Gloucester, Wilts, Surrey, and Sussex counties in England). Son William on his marriage record, referred to Chad Somersetsshire England as the place of origin of his family. John was a brick layer in Kittery Maine.

He is first found in York Maine where he was a witness in 1669. Two years later he was fined for "multiplying oaths". Before the Indian War of 1676, he lived on the west side of Spruce Creek. Fleeing to Boston, he took the Oath of Allegiance in April 1680. On February 20, 1682 he was baptized and joined the Boston Baptist Church. In July of the same year Sarah was also baptized and by September 1682 they had returned to Kittery where they were helping form a Baptist Church there. In 1695 Richard Cutt, calling John Morgrage his "friend", deeded to him the land he was living on, as well as the Endle property. From 1694 until 1699 he had a license to sell retail goods. On February 6, 1706, being apparently on his deathbed, John Morgrage made his will, naming his wife and children and leaving his son John the principle heir. The will was proved on March 15, 1706.

In 1706, Sarah (Stevens) Morgrage was selling drink; in 1707 she had a license to run a public house (as well as in 1709 and again in 1719). On April 12, 1733, she was living in Newbury Mass., age 72, and testified concerning her father's land.

4. Mary MORGRAGE (*John*¹) was born 3 Aug 1688 in Kittery, York, ME and died after 1715.

From Robert Taylor 1986, written by Robert Hanscom of Brunswick: "Mary Morgrage gave birth to a child about July 1707. Shortly afterward she accused Daniel Green of Kittery as being the father. As he was already married, he agreed to support the child, who went by the name of Green alias Morgrage in his early years. About 1709 Mary was married to Rowland Jenkins, a fisherman of New Castle New Hampshire. In July 1710, as Mary Jenkins, she was accused of committing adultery with John wife, a tinker of Kittery, "when believed aboard a ship in the harbor". 1712 she was accused of stealing ribbon. In 1715 both she and her husband were charged with stealing. Perhaps her life can be summed up with the testimony of Mrs. Catherine Weymouth of New Castle who said in 1714 she "never heard any good of her". Mary disappears from records entirely after 1715; perhaps she died about that time."

See his will Maine Wills p 602-4.

From Robert Taylor 1986, written by Robert Hanscom of Brunswick (source of this list of ch and gch.): "Daniel Green alias Morgrage, the illegitimate son of Mary Morgrage and Daniel Green of Kittery, apparently lived with his mother and stepfather when young but either because of their consistent misbehavior, or else because of his mother's death, he was apparently raised by his Morgrage relatives. In 1717 he was apprenticed out to Edmund Geach, a surveyor in Kittery, by his uncle John Morgrage in whose household he was living. After the death of that uncle in 1726, he apparently lived in the household of another uncle, William Morgrage in York Maine. Both enlisted in Capt. Preble's York Regiment in 1726. Settling in Falmouth Maine where he was a surveyor by occupation, Daniel Green (no longer alias Morgrage) was married

they are about 1731 to the beautiful and heroic Mary Bloom. Born in England in 1714, tradition has it that Mary came over to New England with her parents when she was 16. Following their marriage, Daniel and Mary apparently stayed in Falmouth where seven children were born to them.

In 1744 Daniel Green joined up with the militia of New England that led an expedition up to Louisburg Canada, one of the battles precipitating a full French and Indian War. Although the expedition was successful, Daniel Green did not survive it. He was killed by the Indians in 1745 near Louisburg.

His widow married second in Georgetown Maine on May 9, 1746 Ebenezer Hall, a fisherman from Pemaquid (and a widower with three daughters and one son). Shortly after they were married, Ebenezer and Mary settled on the tinnitus island, off the coast of Maine. Three more children were born to them, Peter, Phoebe, and Tabitha Hall. Living with them too, was Benjamin Morgrage, Daniel Green's cousin (son of his uncle John Morgrage) who apparently stayed with the family out of his devotion to his cousins widow (and perhaps because he was a fishing partner with Ebenezer Hall).

This long write up also details conflicts with the Indians and some of the family being taken captive including Mary, and Benjamin Morgrage. In 1765 Mary married Chipman Cobb; they removed to Gorham ME with Chipman died about 1796 age 87 and Mary died in 1803 age 89.

32. Thomas MORGRIDGE (*William³, William², John¹*) was born 14 Nov 1761 in Harpswell, Cumberland, ME and died 28 Mar 1838 in Litchfield, Kennebec, ME.

Morgridge Cemetery on Upper Pond Road, Litchfield contains stones for both Elizabeths, and a Sarah A Chandler, wife of EG Chandler, died 2 May 1857, plus some unmarked stones. He came to Litchfield as early as 1782 and settled on the Upper Pond Road where he lived until his death. The family home still stands at 252 Upper Pond Road. The Town of Litchfield was incorporated in 1795 and Thomas was elected as one of the first Selectmen.

Lincoln County Probate Records 1760-1800 by MGS/Picton 1991, p 248: Probate of David Mustard late of Bowdoinham: Thomas Morgridge, of a place called Fairfield, 30 May 1794, helped conduct inventory.

Litchfield VR p133 May 20 1816, pauper Robert Cleves was bid off to Thomas Morgridge for 25c/week.

George Rogers, Historical Society of Litchfield, says "Thomas Morgridge lived on the Upper Pond Road where I live and where Elder Levi Rhodes lived. Thomas' house currently belongs to Ed Avis, a member of HSOL, and he has done a good job of restoring it. When I was a boy (I'm now seventy-five), the house was a wreck. After years of looking, Ed found the Morgridge cemetery down near the pond. (He had to probe, all the stones were flat and buried and some were broken.) We wondered for years in which church Thomas served as deacon. We eventually found that the Litchfield selectmen divided Litchfield into three religious districts in the early 1800's. Thomas Morgridge and John Brown (Levi Rhodes later purchased the Brown house) were deacons of the East Baptist district. They never did have a church building. My guess would be that Elder Levi Rhodes may have belonged to the Kendall Chapel on the Pond Road but I don't know. He was known for his belief that the world would end soon etc. He reportedly didn't harvest his crops one year because he felt the end was imminent. His daughter, Emma, married into the Small family and I'll check with the Small descendants to see if they know which church Levi attended. We have never been able to locate exactly where Charles Morgridge lived."

He also adds, I'm the genealogist with the Historical Society of Litchfield. According to the History of Litchfield, written in 1895 by Oliver Barrett Clason, Deacon Thomas Morgridge, an early settler, came to Litchfield from Harpswell. His father, William, reportedly came to Harpswell from England in 1755. Clason's work is usually very good, but I thought that I would check to see if you knew of any connection between your Kittery Morgrage family and the Litchfield Morgridge family. Also, an old farm near the Morgridge homestead was purchased in the early 1900's by my grandfather from Elder Levi Rhoades.

1790 Smithtown Plantation, Lincoln Co (now Litchfield) census: Thomas MOGRAGE, 1-2-3 [= 1M >16, 2M <16, 3 F, which would be, Thomas, William and unk, Elizabeth and Betsey and unk].

Thomas married **Elizabeth "Betsy" JACKSON**, daughter of **William JACKSON** and **Abigail TUPPER**, 15 Oct 1786. Elizabeth was born 11 Dec 1763 and died 11 Dec 1840 in Litchfield, Kennebec, ME.

Small family cemetery located on private property behind 252 Upper Pond Road. The cemetery had been lost to memory but was located in 1995 based on information in an early deed. All markers had been knocked over and buried so the exact location of some graves is uncertain. To date four engraved markers have been located (2 engraved fieldstones, 2 commercial markers). Two additional fieldstone markers with no inscription likely mark additional graves. Based on the history of the family it is likely that up to nine people are buried here.

Although no inscribed grave marker has been found, Thomas MORGRIDGE AND Elizabeth JACKSON Morgridge are probably buried here in the family cemetery, graves marked with only a field stone.

Also a small fieldstone marker with only the initials M.B. This may stand for "Morgridge Baby" since no one with those initials have been identified with the property. Or, it could be a grandchild of Thomas, a Booker or Brown.

Charles and Nancy are buried in Town House Cemetery, Town House Road in Sangerville, down in the far corner. MOCA record for Charles says 1766-1824, and the stone does say that. The date was reversed on the stone engraving. The Piscataquis Observer newspaper has: Morgridge, Charles, age 77 yr., died on Sunday morning last. Published Friday, May 27, 1842, making the death date Sunday, May 22, 1842. An engraver error that was never noticed or corrected; son Joseph in his will 1880 decreed to have gravestones bought and installed for his parents, or the exact date was forgotten by then. The Historical Society of Litchfield says they have never been able to determine exactly where Charles lived in Litchfield. see brother Thomas writeup.

His first recorded purchase in Litchfield was a quarter interest in Nickersons saw mill in 1808, the forerunner for a long list of lands and mill shares which he acquired in Litchfield and Bowdoinham. His real estate dealings appear to have been profitable and his position in the community is evidenced by the "Esq", which generally follows his name in the records.

Walter Goodwin Davis in his Massachusetts and Maine Families, Volume III: Robert Patten, of Arundel, Page 144 "Mr.

Sinnett and Mr. Moore both identified Robert Patten of Litchfield with (Robert³, John², Hector¹) but the family deed signed by all of John² Pattens surviving children in 1835 proves conclusively that Johns son Robert was he who settled in China, ME. In his letter of 1833 John Patten of Topsham stated that Robert of Litchfield was a son of the first Robert of Arundel, ME, but this was not so. Robert² (Robert¹)'s life being fully documented in his native town. Mary married **Ralph Clinton LEAVITT**, son of **Joseph LEAVITT** and **Mary-Ann Jane WALLS**, 2 Apr 1858 in Cambridge, Somerset, ME. Ralph was born 18 Jul 1828 in Montville, Waldo, ME and died 6 May 1894 in Cornville, Somerset, ME.

In 1850 Cambridge census, Ralph 22 was a sailor. Ralph was a lumberman later. Every notation includes only his middle initial of C. Feb 2009: Roland Rhoades uses circumstantial evidence to give him the name of Clinton. Reasons: The name Ralph itself is uncommon or non-existent in the Leavitt family before 1829. Martha Leavitt, the daughter of Ralph's half-brother William Henry Harrison Leavitt, names her son Ralph Clinton Twist in 1886. It sounds to me that there was contact between Joseph Leavitt's two families and that Martha had a fondness for her Uncle Ralph. Ralph named a son Joseph C. Leavitt; that C is also lost to history, but could be Joseph Calvin after his grandfathers Joseph Leavitt & Calvin Morgridge. Ralph's brother Joseph had a son Daniel who names children Ralph Clifford and Joseph Clinton. I believe the middle names were used to differentiate between the contemporaries. That still begs the question of where the name Ralph Clinton came from in 1828. I have not found any generals or other statesmen, for which Joseph was fond of naming his children. I believe Joseph named his son Joseph D after his distant cousin/uncle Daniel Leavitt b 1748. Ralph and Mary were married by Comfort Taylor, Minister of the Gospel at the Cambridge Baptist Church, aka Cambridge Union Meeting Hall. Ralph is buried in Mt Pleasant Cemetery in Cambridge ME halfway up the hill; empty spots on both sides of him. The lot was purchased by his son Joseph C Leavitt. Son Willy H is buried in the Cambridge Village Cemetery, now known as the Cambridge Memorial Garden Cemetery.

1860 Cambridge census:

1870 Cambridge Census 32/33: Ralph C Leavitt 41 farmer \$1500/1163, Mary A 28, Joseph C 11, Fred M 5. #88: Calvin Morgridge 53, Elonia P 51. 1870 Agricultural census:

1880 Harmony, Som Census 179/193: Ralph Leavitt 50, Mary A 39, Fred 15, Hamlin 9, Elonia P Morgridge 61 mother of wife (whole page says ME-3). 1880 Monson, Pisc: Joseph Leavitt 21, Ellura M 20, Sina 1.

1890 Waterville, Kenn Ward 5 Percival Court: LEAVITT, Fred M, 25; Hamlin 20; Mary 50; Nellie 20 [my note: Hamlin's wife]; MORGRIDGE, Elona 72.

Ralph died without an estate and separated from his wife, and working in Cornville, 3 towns SW of Cambridge. D/C says he was single with little info about him. However in 1901, 7 years after his death, a note turned up owing him money, which showed up in Somerset County Probate Court as File 1380, and solved a long mystery as to where Ralph's wife and children other than Joseph disappeared. It confirms Ralph's death date and that he last dwelt in Cornville. The record details the relationships as Mary A Leavitt widow of Salem, Mass, son Joseph C administrator of Waterville, and sons Fred M and Hamlin B both of Salem MA. The 1901 court filing explains "The occasion for this [late filing] is the recent discovery of a witnessed note dated November 10, 1884, in favor of the intestate for \$133, on which no payments have been made. This note constitutes practically all the estate...". The court settlement shared \$200 among the 4, with Mary getting a larger widows share of \$66.67, and the 3 sons getting \$44.44 each. Attorney Harvey Eaton also received \$93.59 for his services: "Procuring administration and settling estate costs and services in suit v. Leonard Stone et al. Opposing claim of Leonard Stone costs and services in suit brought by Leonard Stone v Adm'r and Eaton trustee costs and services in 2nd suit brought by Stone v Adm'r". Case settled in 1907.

Note: Find that court case to see if it mentions anything about Violet [Ralph's sister Violet m Leonard Stone]. 6/07: Could not find any mention in Kennebec or Somerset Co courts.

Joseph is always referred to as simply Joseph C, the middle name lost to history. The C could stand for Clifford or Calvin or Clinton, maybe it was just plain C so that it could stand for any of them; see notes under his father. None of the names is carried on in subsequent generations. I believe his full name is most likely Joseph Calvin, named after both of his parents' fathers. The entire family of Joseph, Ellura, Sina, Chester, Ulrich, Edith and husband William are all buried in the family plot at Pine Grove Cemetery in Waterville, Lot 548, on Crescent Ave. Have photos of stones, and photos of people except Chester and Ulrich. November 2008, Pine Grove Cemetery told us their records state that Chester was reinterred in 1903 from Cambridge Maine. They also said that Ulrich Leavitt is buried there in "plot #4", though without any marker. No living family members had known anything about it. Joseph C Leavitt is also registered as the person who bought the lot in Mt Pleasant Cemetery in Cambridge, where his father Ralph is buried, and likely where his son Chester was first buried.

1900 Waterville 5-WD census, p 203 413/565: Joseph C Nov 1858 41 M22 insurance agent; Ellura A May 1860 40 M22 4 ch 3 liv; Sina O dau Aug 1879 20 S; Ulrich R son May 1881 19 S; Edith M dau Oct 1889 10. Family rented a home at 5 Pleasant St.

1910 Waterville 6-WD p 122 31/35, 70 Silver Street: Joseph B (sic) 51 M1 31 landscape gardener OA (own account); Ellura M 50 M1 31 4 3; Ulrich F son 28 M1 5yrs landscape gardener OA; Sina E dau 30 S; Edith M 20 S.

1920 Bath 5-WD Sagadahoc p 120 362/439, 18 Green Street: Joseph C Leavitt head 61 landscape gardener, Ellura M wife 59. 362/440: William L Robertson head 33 MA-MA-ME Asst Superintendent, Electrical; Edith L wife 31; Marguerite E dau 3 2/12; Jeannette A dau 3/12.

Joseph was reportedly a deeply religious man and a lay minister, a landscape gardener, and an insurance agent. He rented a home at 5 Pleasant St in Waterville. Stinneford cousin Thelma Barrows in 1985 writes "I used to know Aunt Ellura and Uncle Joe real well. I used to live in Waterville until I was 9 years old. Uncle Joe used to come over and say our prayers with us at night. He was a wonderful man but religious." He died on a Wednesday. Death certificate says he committed "suicide by drowning", jumping off a bridge in Auburn. He was reportedly in great pain from some illness.

I have a church "Notice Of Transfer. Mr. Joseph C Leavitt. At your request I have this day sent a Certificate of Transfer of your membership to the Hammond Street Methodist Episcopal Church in Lewiston, Maine. When said Certificate is acknowledged and your name is recorded in the records of said Church, your membership in this Church will cease. [signed] E. A. Pollard Jones, Pastor. 17 January 1922. A handwritten note on the other side says: "We are sorry to have you leave us but feel that you are doing the proper thing to attach yourself to some nearer church. Sincerely, EAPJ." E A Pollard Jones was pastor at the Waterville Pleasant Street United Methodist Church 1921-1927. Not sure if he moved there by himself or with his family.

Waterville Pleasant Street United Methodist Church, 5/06, report their records say Joseph Leavitt joined their church 1 April 1894, transferring from the Brighton First Baptist Church [all denominations used the same church building there]. Wife Ellura M joined 28 Oct 1894 from "probation" [means she had been coming a while and finally joined]. On 22 Feb 1927 she was removed by "RWC"; they don't know what that means. Daughter Sina also joined 28 Oct 1894 from probation, and died 17 Dec 1910.

Joseph married **Ellura Mae STINNEFORD**, daughter of **George H STINNEFORD** and **Lupira B Maria TRAFTON**, 1 Sep 1878 in Cambridge, Somerset, ME. Ellura was born 19 May 1860 in Brighton, Somerset, ME and died 27 Apr 1938 in Winslow, Kennebec, ME.

Carol Hanson Guentert says in her Hansons book, "Ellura Mae was a formidable woman, my mother told me. She was five feet tall and weighed 140-150 pounds and she died at age 77 of cancer of the bowel."

Children from this marriage were:

- F i. **Sina Ellen LEAVITT** was born 24 Sep 1879 in Cambridge, Somerset, ME and died 17 Dec 1910 in Waterville, Kennebec, ME.
Sina died of typhoid fever. Have her photo.

146. Hamlin Benjamin LEAVITT (*Mary Abigail MORGRIDGE⁷, Calvin⁶, Benjamin⁵, Charles⁴, William³, William², John¹*) was born in Sep 1870 in Cambridge, Somerset, ME and died 4 Nov 1919 in Salem, Essex, MA.

Hamlin B. was bp 8 Mar 1886 at Waterville Pleasant Street United Methodist Church. Also mentioned in church records is Ella C and Fred M. Every notation is simply Hamlin B. The only B name in the family is his mother's grandfather Benjamin Morgridge who died 11 years earlier, so that is likely the name.

Hamlin sued for divorce against his first wife, Nellie [2:59]. She deserted him 15 August 1891 and not heard from since. Divorce granted in Kennebec Superior Court 12 April 1895. No children. Div gave m date and place but not Nellie's last name. Lewiston m/c gives her name, both residents of Lewiston, his name still just Hamlin B, married by John F Putman, JP, no parents or other info given. Nobody named Hitchie is in Ancestry's census index.

Evidently Hamlin also married Ida May Roach while he was already married. Penobscot County Probate Files have F Marion Simpson of Carmel appointed guardian 15 Feb 1888 of Ida May Roach, age 16, minor child of Ella N Roach late of Carmel. Father still living, but divorce had given custody to the mother [divorced Apr 1878, Pen 52/160 docket 836]. On 19 Apr 1890, F Marion Simpson of Carmel resigns as guardian of Ida May Roach of Bangor because he is the administrator of estate of Phebe M Soule late of Carmel in which the said Ida May Roach is interested as an heir to said estate. On May 6, 1891, F Marion Simpson files a final account as Guardian of Ida May LEAVITT, formerly of Bangor but now of Waterville. Ida May Leavitt received the last \$100 in the account "Ida May Roach, now Ida May Leavitt, wife of Hamlin B Leavitt". No marriage, divorce, or death record found. Maine marriages does have Ida M Roach 23 b Bangor md Edwin S Carville 32 b Lewiston, both of L, on 8 Sep 1894 in Lewiston. Her 1st m, he wid. She a dressmaker, he a stove polisher. Her parents are listed as [blank] farmer of/b Bangor & Nellie Small of/b Bangor. His parents are Ezra R Carville of/b L & Dorcas Jordan b Webster. [Perhaps Hamlin make-believe married her so she could get her final check? or maybe there is a bigamy annulment in court records?]

Ella Maxwell was the daughter of Enos A Maxwell b Alfred and Alice Tracy b WI. Ella E Leavitt [Maxwell] sued Hamlin B Leavitt for divorce for desertion; granted 11 Feb 1901 in Androscoggin Co. [Maine Divorces 5:54]. Ella is buried in Evergreen Cem Rt 4, Alfred ME, Lot 70 under a huge maple tree in left section; stone calls her "Ella E Leavitt, dau of E A & Alice Maxwell, 31 Dec 1877 - 8 Dec 1905"; MOCA York Co does not list her parents there.

He m3 (or 4th?) Etta C Dunbar (widow Mrs Springer) 16 May 1903 in Salem MA v536 p605. Hamlin and Etta are both weavers, 32, and of Salem. Married by Frank M Lamb, Minister of the Gospel. Etta was buried 3 Dec 1923 at Greenlawn Cem in Salem, Anenome Path.

D/C v27 p13 #559: Hamlin B Leavitt drowned (Probable accidental drowning) in Salem Harbor near Willows. He resided at 25 Laurel St in Salem, and was divorced and a weaver. Buried Greenlawn Cemetery Salem, but removed 1926 to Harmony Grove Cem, Salem, acc to d/c. Jan 2012 - Harmony Grove has no record of our Leavitts. Greenlawn Cem confirms he is buried there, buried 6 Nov 1919 with no notation of transfer in either direction, Murphy Funeral Home. Lot#1395 on Red Bud Ave was purchased by son Ralph Leavitt.

Larry wrote, "Hamlin jumped into the ocean at the pier at the Salem Willows Park, he could not swim, my grandfather Ralph identified the body. I have the Salem Evening News frontpage story from 1919. His sister lived in Seabrook NH." Salem News death notice - In Salem, Nov 5, drowned, Hamlin B Leavitt, 50 years, a native of Maine, and the son of Mrs Mary (Mogaige) and the late Ralph Leavitt.

The Salem Evening News Thursday Nov 6, 1919 frontpage near top. Headline: Man Downed at Willows was Hamlin B Leavitt. Subheadline: Identified by Son Yesterday; Had lived in Salem for 15 years, working at Naumkeag Mill; Despondent Over Loafing Because of Strike. Text:

The body which washed ashore at Salem Willows yesterday morning was identified late yesterday afternoon as that of Hamlin B Leavitt of 25 Laurel St Salem. The identification was made by a son, Ralph E of the same address.

According to the son, Mr Leavitt had been a resident of Salem for the past 15 years and was employed at the Naumkeag mills before the strike.

The son could give no reason for his father's act, except that he might have been despondent over the closing of the mill.

He had been missing from his home since last Sunday night. Mr Leavitt was about 50 years of age and leaves a mother, a son Ralph E and a daughter Elonia. He also has a brother Joseph in Waterville, Me.

Carole also adds (p84 of her book *Hansons of York Maine*), "I found that my maternal grandmother, Edith Leavitt Robertson, kept a Shakespeare birthday book with both joyous and sad entries. She made shorthand entries in her memory book on Jan 11 and 18, 1914 that read "Will spoke to me but I decided it was best to wait a month but I only waited a week" and "Will asked me to be his wife. I would not have the slightest idea that he cared for me. I feel sure that he does love me." On Jan 25, 1914, Edith entered "I had my ring. It was put on with a kiss. I think it's a beauty. I do love him." She never entered their wedding date, Nov 11, 1914 in this book."

Edith married **William Lewis ROBERTSON**, son of **William ROBERTSON** and **Alice Florilla SAFFORD**, 11 Nov 1914 in Waterville, Kennebec, ME. William was born 27 Jun 1885 in West Upton, Worcester, MA and died 10 Oct 1947 in Gardiner, Kennebec, ME.

William's birth is reported as 27 June 1886 in later years, but the original birth record is in 1885 Upton birth records. The Grand Lodge of Freemasons can be reached via grandlodge@mainemasons.org and their website has a growing selection of records. Chuck Ridlon of Maine Masons (& NALF member) emailed Roland: "Their website has his initial card from Waterville Lodge 33, he took his 1st degree May 25, 1914; his 2nd degree June 8, 1914; and his 3rd degree, June 15th, 1914. Usually they have to wait 2 weeks between degrees, so this tells me maybe he was leaving for the service so they only left 1 week between his 2nd & 3rd degree."

WWI Draft registration res 62 Burleigh in Waterville, b Upton MA, Civil Engineer for Central Maine Power in Waterville, has wife and child, was a Sergeant in Canadian Infantry; medium height and build, blue eyes, dark red hair. Family: 5'11", balding. Carole adds, strawberry blonde to red brown hair.

William graduated from the University of New Brunswick. Birth recorded in Upton VR v360 p386, year 1885 confirmed. Birth record has parents as William Robertson b ME & Alice F Roberts b Dexter ME (sic; she probably said her married name Robertson, then changed it, but the clerk had already started writing it. Alice Florilla Safford WAS b Dexter.). William m2 Helen Elwell (Mrs Cousens) in Gardiner ME 15 June 1940. She m3) Howard Kelley (10 Jan 1891 - April 1983 Warwick RI). Helen and Howard would come to East Rochester to visit the Rhoades family occasionally.

William Lewis Robertson's d/c says he resided at 3 Cobbosee Ave; his wife Helen Cousens was 49; he was b West Upton Mass, and he was District Supt CMP Co. His father was a sea captain b NB and mother Alice Safford b NB [sic]. He died of Pulmonary thrombosis, and prostate cancer. His prostate cancer metastasized to his ribs (which broke when he tried to get out of the car) and spine.

Memories from dau Muriel: How did he meet Helen and where did the big house on the hill (3 Cobbosee Ave) come from? Helen might have been one of the housekeepers. They lived on Central St/Water St in Gardiner, house belonged to Helen, it was a Cousens' house. She worked in a factory office on Water St. Helen's mother was nice, they called her Nana. Muriel and Martha mowed the big steep lawn by hand. William remodeled the house. It burned ca 2010 and was rebuilt.

Carole Hanson Guentert writes in her book *Hansons of York Maine*, p84-92: "Will introduced an unpopular step-mother into the Robertson girls' lives when he remarried a few years later. I remember Grandfather Robertson as a tall friendly man (Mom's childhood friend Edith Sanborn described him as "impressive"), who brought 3-foot tall dolls to Peggy and me for Christmas and on our birthdays. He was married to Helen Cousens by that time, and I spent time at their house on the hill in Gardiner Maine (Cobbosee Stream) in the summertime, though my mother never liked her step-mother, and we weren't allowed to either. My mother could really hold a grudge about that, but it may have been well-deserved. Mom would tell of the huge strawberry shortcakes that her Dad would serve up in soup bowls, because he didn't want his girls to suffer deprivation like he did when he was a boy. When his father remarried, his step-mother cut him off from any financial help for college, so he got a loan from his employer, Ganong's Candy factory in St Stephen NB. Some letters from William are also reproduced in the book.

From MAINE BIOGRAPHIES, republished 2002 in two volumes, was originally published as v3 of Maine Resources, Attractions, and it's People, by Harrie B Coe 1928, v1 p379:

- F i. **Marguerite "Marge" Edith ROBERTSON** was born 31 Oct 1916 in Waterville, Kennebec, ME and died 11 Mar 1990 in York, York, ME.

The same April 1 1926 Kennebec Journal which mentions her mother and sister on p2 Skowhegan news has the headline "Suffers from badly scalded foot and ankle". "Miss Marguerite Robertson met with a painful accident recently, one which might have resulted much more seriously than it did. The little Miss came in from outside where she had been playing and in throwing off her coat caught it on a pail of boiling water, on the heater close by. The contents overturned upon her foot and ankle, which were badly burned. While she is improving, the foot is painful."

Genetic tree: brown hair; angina. Daughter Carole says: Marge had hazel/green eyes I think and "mousey brown" hair. Her cause of death was lung cancer as the primary site but it spread up her spine to the brain. She had larger hands, as I noticed at her wake and her shoes were size 9+ as was her ring size; not a small woman, size 14 at later years and Mom was 5'6" or 7". (Son) Dennis' hand situation (no fingers on one hand) was thought to be the result of Mom having German measles while pregnant, tho' I'm not sure that is so.

Marguerite married **James Dennis HANSON**, son of **Augustine Charles "Gus" HANSON** and **Katherine DOYLE**, 27 May 1940 in Gardiner, Kennebec, ME. James was born 14 Nov 1913 in York, York, ME and died 19 Dec 1999 in Lakeland, Polk, FL.

FTDNA test results: Maternal Haplogroup is H6a1a2a. [My maternal cousins will be the same - Robertson > Leavitt > Stinneford > Trafton > Penney > Gowen > Cole > Spencer 1698.] H6 is one of the oldest branches of haplogroup H. Its age is estimated at around 26,000 years. It is one of the most frequent branches of H found among Arabian lineages, and is the most frequent branch among those found in Central Asia. It likely originated in the Middle East or Central Asia. H6 is also found at very low frequencies in Europe. I have also uploaded my data to the mtDNA Community website for additional analysis.

23&me test refined Aug 2014 shows 99.9% European, broken down as 64.8% British & Irish, 12.7% French & German, 2.3% Scandinavian, 16% Broadly Northern European, .2% Italian, 2.1% Broadly Southern European, 1.8% Broadly European, .1% unassigned. This test also showed 2.9% Neanderthal dna (274 variants).

Refined again Oct 2019: 99.8% European broken down as, 71.4% British and Ireland, 14.1% French & German, .1% Scandinavian, 12.4% Broadly Northwestern European, 1.2% Italian, .2% Broadly Southern European, .3% Broadly European, .1% trace, .1% unassigned.

Muriel married **Roland³ Edward RHOADES**, son of **Roland Edison RHOADES [PEAVEY]** and **Marion Frances BOUDWAY**, 7 Oct 1950 in Gardiner, Kennebec, ME. Roland³ was born 5 Jun 1930 in Gardiner, Kennebec, ME and died 7 May 2017 in Franklin, Merrimack, NH.

Roland attended Farmingdale and Gardiner schools, graduating from Gardiner High School in 1947. Served in the US Army Air Corps, in charge of sled dogs in Labrador. In many circles, he was known as "Dusty" as in "dusty roads". He moved to Dover NH in 1955 and East Rochester NH in 1959. He worked at GE in Somersworth NH for 11 years. He was a licensed electrician, carpenter and general contractor, a co-owner of a couple companies. He and Muriel were also owners of Hilltop Recreation Center in Somersworth NH, which he built from the ground up in the 1960s to include a golf driving range, go-karts, baseball and softball batting cages, and "Space Age" miniature golf. That was a major news attraction; each hole had a giant theme, like a flying saucer large enough to walk through, that airplane pilots said they used as a bearing for landing at the Rochester airport. It also had space creatures and planets made from steel, chicken wire and mortar. His children always had summer jobs! He was also an Eagle Boy Scout, Order of the Arrow; Scoutmaster in Gardiner ME and Salmon Falls NH; Cubmaster in East Rochester; and served on the vestry as Jr and Sr Warden of the Episcopal Church in Rochester. He converted their summer camp in Sanford to year-round and moved from East Rochester in 1980. He sold his business and retired to Lakeland FL around 1985 in a retirement park where he has been President of the Shuffleboard Club, with many trophies. He and Muriel have led a very active life in

the Florida warmth; it's hard to ever find them home. In January 2011, they sold their home in Lakeland and moved in with daughter Nancy in NH.

In addition, he served on the Board of Directors of both Little League and Wakefield Youth Hockey. Duke will be especially remembered for his tireless work leading to the growth of Massachusetts Hockey. An avid snowbird for the past sixteen years, Duke enjoyed winters at his condo in Fort Lauderdale where he enjoyed shared dinners, reminiscing with old friends and sitting in the sunshine with his Sudoku puzzles. Oftentimes, he was joined by his companion, Mary Cail of Melrose. She was his constant and loving friend and they shared the last nineteen years together going to countless hockey games, rooting

for the Red Sox together and enjoying time with family and mutual friends.

Duke never met a stranger and he had a joy for life and for helping others. He had an uncanny ability to fix things and always had a smile for others. 3/22/2012 email from Michael Filosa filosam@verizon.net - Hi Roland,

Aunt Lena, as she was called by family, was born "Elena Mary Falzarano" on 14 Dec 1911 in White River Junction, Windsor, VT and died in West Palm Beach, FL 7 Jul 2000. According to the Florida Marriage index, she was married Dec 1961. Ellsworth was her first marriage. Although born Elena she is often referred to as Helena and that is on most if not all of her later documents.

Her father was Francesco Domenico Falzarano (1874-1943) and her mother was Maria Carmina Izzo (abt 1875 - 1941) Both were born in Italy and died in White River Junction, Vermont.

My second cousin-1X removed, Louis Izzo and I have fairly complete trees on Ancestry for the Falzaranos. There are other pretty good trees also, but we are the two close relatives with trees. My aunt Clementina Filosa-Morton and my Uncle Gary Filosa have been my sources of information on Ellsworth and Lena. They both spent substantial time with her after Ellsworth's death. There is a picture from an event in VT that includes Ellsworth and Lena and is attached to my tree. It also includes Lena's brothers: Larry, Alphonse (Ponzi) and Ralph (Babe) Falzarano. I will send you the photo when I get home. I recall that your tree said you didn't have any photos.

I am not sure the plane ever got into the air from what my Aunt told me. It caught fire on the ground and neither Ellsworth nor his friend could be saved.

Thanks for the additional information on Ellsworth and Aubrey.

Best regards, Mike

Leon was born October 10, 1919, in South Eliot "Eliot Neck", Maine to Fred and Shirley Mae (Langley) Morgridge. Mr. Morgridge is survived by his wife and confidant of 76 years, Charlotte. He was a loving father and friend to his son, William C. Morgridge and wife Raymah of South Berwick; his sister, Shirley G Dodge of Eliot; granddaughters, Angela Lafrenier and her husband Alfonse of South Berwick, and Anita Paul and her husband Peter; two great-granddaughters, Ashley Paul and Morgan Paul of Eliot; along with many nieces and nephews. He was preceded in death by his siblings, Wilbur Henry Morgridge, Murial Langley Tapply, Stella Mae Moynahan, and Julia Ellen Dobbs.

Leon attended Eliot Maine Schools and resided in the town of Eliot for 86 years. In 1940 he married the love of his life, the

little girl that lived next door, Charlotte Louise Faulkner. She says today she wouldn't have waited until she was 17 to marry him. She loved his honesty and sense of humor.

Throughout the depression years he worked at the CCC Camp in the Sebago Lakes Region in Maine for \$5 a month that included Slop & Flop (a meal and a cot).

In March of 1943 Leon and Charlotte had a son, William, of whom he taught to work hard and to strive to do good in this world. He was never bashful to say "I love you Willie" or "You're Late."

Leon was inducted into the Seabee Battalion August 11, 1943, and spent the next three years in the Pacific on the islands of Saipan, Tinian & Guam. After his discharge for a brief period he worked on the Portsmouth Naval Shipyard as well as for the Eliot Highway Department. He started his construction career working on the Blue Star Memorial Highway, i.e., Rt. 1 from Kittery to Portland, Maine. In 1948 he bought his first new dump truck for \$700 and had to finance it for five years, and that's when he started L.W. Morgridge & Son Construction. He worked as general superintendent for Landers & Griffen of Portsmouth and supervised the construction of major projects like the Spaulding Turnpike, Route 11 through Farmington, Route 4 running through Rollinsford as well as major portions of Rt. 93 running from the Mass. State Line into St. Johnsbury, Vt. In 1965 L.W. Morgridge & Son was incorporated and the small family business still runs today on Route 236 in Eliot, Maine.

Earlier years were enjoyed deer hunting with his brother John and in the winter you could find Gene-Criny as he was called and Pat O'Malley ice fishing in Great Bay. If you were one of the lucky ones to get a street view when the Eliot fire alarm rang, he was passing another as the first one to the fire station got to drive the engine. Leon was an active member as a 32nd Degree Mason, and was the oldest associate member of the Eliot Fire Department and enjoyed years with the boys at the pull and be damned club "Red House." Throughout his retirement years he was seen on the Piscataqua River in a little red lobster boat he called Skipper pulling lobster traps; Charlotte by his side. When time allowed they enjoyed golfing at the Wentworth Country Club and hosted many parties at their winter home of 40 years in Lakeland, Fla. Leon and Charlotte moved to Pond Road in South Berwick when he was 86 and it never slowed him down. He could be seen on the tractor cutting the grass, on the equipment grading the driveway with Bill or swinging on the porch with Nana.

Doates will be remembered for his remarkable capacity to recite the counties of Maine, the presidents (in order by the way) and always eager to share his life experiences with his grandchildren and great grandchildren.
