

ROBERTSONS of CHARLOTTE CO, NB

First Generation

1. William ROBERTSON was born est 1798 in , , Scotland.

The only evidence of William and Jenny, is son William's d-cert saying they were born Scotland; unknown if they came to America. William 1832's siblings are circumstantial for being in the correct area and intermarriages; looking for proof.

William 1832 had a skilled job as ship carpenter. William 1857 was a sea captain commandeering his own ships.

William 1885 was a 32nd degree Freemason, the highest level that they have, as well as other specialty subgroups like the Scottish Rite.

There is a series of intermarriages of Robertsons & McBrides in Charlotte Co NB.

May 2022 email: While I am not linked to William and Jenny's family line, I am linked (I believe) to William's brother James Robertson b 1788 and his wife Annie Mitchell b 1800. I am taking an educated guess here but I think both brothers married two Mitchell sisters but have no way of confirming this at the moment.

I have DNA links to family members descended from William Robertson and Jenny Mitchell. I am in New Zealand and descended from one of four Robertson siblings that emigrated in the 1870's

I look forward to hearing from you,

Alison Faulkner

Cousin Phyllis Best wrote 3/29/2005: Read some of the history of City Island and found that it was quite a sea-faring town and many seaman's families lived there---so maybe it was a port in a storm for Alice, since she was pregnant.

4. William ROBERTSON (*William*¹) was born 20 Apr 1832 in , , (northern) Ireland and died 7 Feb 1913 in Westborough, Worcester, MA.

Most records and census say the Robertsons came from Ireland or were Irish, but our family always said "NO, we are Scots." Northern Ireland didn't exist until 1921. Northern Ireland has traditionally had an industrial economy, most notably in shipbuilding, rope manufacture, and textiles. Scots in Ireland were called Ulster Scots.

1860 Calais ME census Wd 5 813/827 has William Robertson 28 ship carpenter b Ireland, Rebecca 25 NB, William 3 NB, James 1 NB, Matilda McCullough 17 NB servant, Archibald McBride 45, John McBride 40 both ship carpenters b Ireland, and others. It appears that Rebecca died at daughter Bertha's house.

Westboro D/C: William Robertson, mar shipbuilder, died at 28 Blake St, age 80,9,13 born 20 May 1833 in Ireland; 1900 census had given April 1832. [It appears Westboro made a mistake figuring that birthdate, both years and months are off, and it would match Apr 1832.] Parents William Robertson & Jenny Mitchell, both b Scotland. Inf Mrs A A Robinson, Westboro. He died at 6 AM of acute dilation right ventricle of the heart, and mitral regurgitation, several years. Buried Lot 22 Pine Grove Cem Westborough, an 18 acre cemetery begun in 1844, on 106 South St (Rt 135). Westborough borders the northern edge of Upton.

Rebecca's D/C: died Malden May 29, 1918 at home, age 81y, 9m, 2d. This would make her b August 27, 1836, but 1900 census says July 1833 and other censuses agree. I used the 2-days and added 27 to her birthdate.

William married **Rebecca MACFARLANE**, daughter of **John MACFARLANE** and **Ann McCULLOUGH**, about 1856 in St Andrews, Charlotte, NB. Rebecca was born 27 Jul 1833 in Bayside-St Andrews, Charlotte, NB and died 29 May 1918 in Malden, Middlesex, MA.

Hi Roland---always glad to find another relative. I am not of the Safford line I am a Robinson, and doing that history too. My grandmother Mary Eleanor Robertson who married Albert A. Robinson of Bath, ME, was the youngest daughter of Wm. and Rebecca McFarland---and his father, Wm. married to Jennie Mitchell is the dead end for me right now. Do you have any information on them, by chance?

I just got a copy of Mary's marriage certificate, 1889, from a long lost cousin who lives in Hawaii. Last saw him in 1938 in Baltimore. On the certificate Mary claims to be from City Island, NY altho her family was from Bath, ME. I

just wondered what she was doing in City Island---maybe she eloped---and then I remembered Alice Safford died there the next year and wondered if maybe she was living with them. Not too important in the genealogy scheme---I am just curious. I have been searching for a marriage record for them for a long time with no luck, and another cousin told me she thought there was something funny about the marriage as Grandma Mary had made some remarks to her when she (the cousin) was young.

How are you related to Alice Florilla Safford? I am interested in William, her husband and the ships he captained. I have a picture supposedly of him that I got in NB but do not know which man he is. Do you have any pictures? I could send it in another email if you think you could identify him.

The last entry---James Robertson, b. 1834, d. 1915---I just found and am pretty sure it is our James. I am in the process of sending for his death certificate from OR. Will let you know what I find out. Phyllis Best March 2005 PABest@aol.com

William's birth is reported as 27 June 1886 in later years, but the original birth record is in 1885 Upton birth records. The Grand Lodge of Freemasons can be reached via grandlodge@mainemasons.org and their website has a growing selection of records. Chuck Ridlon of Maine Masons (& NALF member) emailed Roland: "Their website has his initial card from Waterville Lodge 33, he took his 1st degree May 25, 1914; his 2nd degree June 8, 1914; and his 3rd degree, June 15th, 1914. Usually they have to wait 2 weeks between degrees, so this tells me maybe he was leaving for the service so they only left 1 week between his 2nd & 3rd degree."

WWI Draft registration res 62 Burleigh in Waterville, b Upton MA, Civil Engineer for Central Maine Power in Waterville, has wife and child, was a Seargent in Canadian Infantry; medium height and build, blue eyes, dark red hair. Family: 5'11", balding. Carole adds, strawberry blonde to red brown hair.

William graduated from the University of New Brunswick. Birth recorded in Upton VR v360 p386, year 1885 confirmed. Birth record has parents as William Robertson b ME & Alice F Roberts b Dexter ME (sic; she probably said her married name Robertson, then changed it, but the clerk had already started writing it. Alice Florilla Safford

WAS b Dexter.). William m2 Helen Elwell (Mrs Cousens) in Gardiner ME 15 June 1940. She m3) Howard Kelley (10 Jan 1891 - April 1983 Warwick RI). Helen and Howard would come to East Rochester to visit the Rhoades family occasionally.

William Lewis Robertson's d/c says he resided at 3 Cobbosee Ave; his wife Helen Cousens was 49; he was b West Upton Mass, and he was District Supt CMP Co. His father was a sea captain b NB and mother Alice Safford b NB [sic]. He died of Pulmonary thrombosis, and prostate cancer. His prostate cancer metastasized to his ribs (which broke when he tried to get out of the car) and spine.

Memories from dau Muriel: How did he meet Helen and where did the big house on the hill (3 Cobbosee Ave) come from? Helen might have been one of the housekeepers. They lived on Central St/Water St in Gardiner, house belonged to Helen, it was a Cousens' house. She worked in a factory office on Water St. Helen's mother was nice, they called her Nana. Muriel and Martha mowed the big steep lawn by hand. William remodeled the house. It burned ca 2010 and was rebuilt.

Carole Hanson Guentert writes in her book Hansons of York Maine, p84-92: "Will introduced an unpopular step-mother into the Robertson girls' lives when he remarried a few years later. I remember Grandfather Robertson as a tall friendly man (Mom's childhood friend Edith Sanborn described him as "impressive"), who brought 3-foot tall dolls to Peggy and me for Christmas and on our birthdays. He was married to Helen Cousens by that time, and I spent time at their house on the hill in Gardiner Maine (Cobbosee Stream) in the summertime, though my mother never liked her step-mother, and we weren't allowed to either. My mother could really hold a grudge about that, but it may have been well-deserved.

Mom would tell of the huge strawberry shortcakes that her Dad would serve up in soup bowls, because he didn't want his girls to suffer deprivation like he did when he was a boy. When his father remarried, his step-mother cut him off from any financial help for college, so he got a loan from his employer, Ganong's Candy factory in St Stephen NB. Some letters from William are also reproduced in the book.

Genetic tree: 5'0"; wt 100; brown hair. COD septicaemia, possibly acutely infected gall bladder attack. Cousin Carole Guentert adds, On Edith, I heard via Mom that she died of septicemia after her gall bladder surgery as her older retired former employer Dr E. P. Fish, did the surgery as a favor and left "the proverbial sponge" in the surgical site, causing the massive infection. He realized he was too old to be performing surgery, but she wouldn't have anyone else do it. Daughter Marguerite was at her hospital bedside when she passed.

Carole also adds (p84 of her book Hansons of York Maine), "I found that my maternal grandmother, Edith Leavitt Robertson, kept a Shakespeare birthday book with both joyous and sad entries. She made shorthand entries in her memory book on Jan 11 and 18, 1914 that read "Will spoke to me but I decided it was best to wait a month but I only waited a week" and "Will asked me to be his wife. I would not have the slightest idea that he cared for me. I feel sure that he does love me." On Jan 25, 1914, Edith entered "I had my ring. It was put on with a kiss. I think it's a beauty. I do love him." She never entered their wedding date, Nov 11, 1914 in this book."

FTDNA test results: Maternal Haplogroup is H6a1a2a. [My maternal cousins will be the same - Robertson > Leavitt > Stinneford > Trafton > Penney > Gowen > Cole > Spencer 1698.] H6 is one of the oldest branches of haplogroup H. Its age is estimated at around 26,000 years. It is one of the most frequent branches of H found among Arabian lineages, and is the most frequent branch among those found in Central Asia. It likely originated in the Middle East or Central Asia. H6 is also found at very low frequencies in Europe. I have also uploaded my data to the mtDNA Community website for additional analysis.

Muriel married **Roland³ Edward RHOADES**, son of **Roland Edison RHOADES** [PEAVEY] and **Marion Frances BOUDWAY**, 7 Oct 1950 in Gardiner, Kennebec, ME. Roland³ was born 5 Jun 1930 in Gardiner, Kennebec, ME and died 7 May 2017 in Franklin, Merrimack, NH.

Roland attended Farmingdale and Gardiner schools, graduating from Gardiner High School in 1947. Served in the US Army Air Corps, in charge of sled dogs in Labrador. In many circles, he was known as "Dusty" as in "dusty roads". He moved to Dover NH in 1955 and East Rochester NH in 1959. He worked at GE in Somersworth NH for 11 years. He was a licensed electrician, carpenter and general contractor, a co-owner of a couple companies. He and Muriel were also owners of Hilltop Recreation Center in Somersworth NH, which he built from the ground up in the 1960s to include a golf driving range, go-karts, baseball and softball batting cages, and "Space Age" miniature golf. That was a major news attraction; each hole had a giant theme, like a flying saucer large enough to walk through, that airplane pilots said they used as a bearing for landing at the Rochester airport. It also had space creatures and planets made from steel, chicken wire and mortar. His children always had summer jobs! He was also an Eagle Boy Scout, Order of the Arrow; Scoutmaster in Gardiner ME and Salmon Falls NH; Cubmaster in East Rochester; and served on the vestry as Jr and Sr Warden of the Episcopal Church in Rochester. He converted their summer camp in Sanford to year-round and moved from East Rochester in 1980. He sold his business and retired to Lakeland FL around 1985 in a retirement park where he has been President of the Shuffleboard Club, with many trophies. He and Muriel have led a very active life in the Florida warmth; it's hard to ever find them home. In January 2011, they sold their home in Lakeland and moved in with daughter Nancy in NH.

Richard "Duke" Kumpel, 81, passed away on Sunday July 22, 2012. Cherished dad to his five children and Papa Duke to his grandchildren and first great granddaughter, he remained a steady presence in his children's lives showing his warmth and humor that characterized his life. Duke, born on Christmas Day 1930, was raised in Melrose. He shared many happy childhood experiences with his sister Flo and brother George. It was at Lincoln Elementary School in Melrose where he met his lifelong friend and "partner in crime" Donald "Cookie" Corcoran. He graduated from Melrose High School in 1948 where he was a sprinter with the Track and Field Team. After graduating he enlisted in the Navy and served with the Seabees for two years. He met his bride-to-be Martha who was in the nurse-in-training program at Melrose Wakefield Hospital and she immediately caught his eye. He married his beautiful wife Martha in 1952, and soon after the couple moved to Greenwood where they raised five children. Their home in Greenwood was a frequent site of neighborhood pool parties and Christmas caroling get-togethers. Duke worked for the Local 537 as a union pipefitter for over forty years working on many large scale commercial projects. While working and helping Martha raise the children, he attended Northeastern University at night for eight years finally earning his B.S. in Civil Engineering.

He touched many lives through his associations as a player agent for Wakefield Little League for more than ten years. In addition, he served on the Board of Directors of both Little League and Wakefield Youth Hockey. Duke will be especially remembered for his tireless work leading to the growth of Massachusetts Hockey. In 1974, he became a charter member of Massachusetts Hockey and later served as a member of Mass Hockey's Executive Board. In addition, he served as USA Hockey Director-at Large for nineteen years and was proudly elected USA Hockey Director Emeritus. He received numerous accolades and awards for his work and was inducted in to the Massachusetts Hockey Hall of Fame in 2001.

He moved to Reading in 1996 and served on the Condo Board for Summit Towers for many years. An avid snowbird for the past sixteen years, Duke enjoyed winters at his condo in Fort Lauderdale where he enjoyed shared dinners, reminiscing with old friends and sitting in the sunshine with his Sudoku puzzles. Oftentimes, he was joined by his companion, Mary Cail of Melrose. She was his constant and loving friend and they shared the last nineteen years together going to countless hockey games, rooting for the Red Sox together and enjoying time with family and mutual friends.

Duke never met a stranger and he had a joy for life and for helping others. He had an uncanny ability to fix things and always had a smile for others. He will be remembered and sorely missed by his five children and their spouses including Bill and his wife Pat, Linda Lomas and her husband Howie, Judy and her husband Tom Gonnella of Gettysburg Pennsylvania, Mark and his wife Helene Van Neste of Scarborough, Maine, and Kristen and her husband John Abbondante. Mrs. Phyllis Arlene (Robinson) Best, formerly of Boulder Hill, passed away peacefully surrounded by her children on April 19, 2018 in Waconia, MN, just 1 month shy of her 90th birthday.

She was born on May 19, 1928 in Chicago to the late Mildred (Swanson) Robinson and Harold Burton Robinson. She grew up in Elmwood Park, IL. Phyllis graduated from Elmhurst College with a degree in Chemistry, and from Masonic School of Nursing earning an RN in 1950. After graduation, she married the man who would become her life long love, best friend, and traveling companion, the late Glenn Rhys Best.

Phyllis went back to school in the 1960s to get her teaching degree and later a masters degree in education with a specialty in learning disabilities. Teaching was her passion for 23 years. Her former students still remember the plays they performed in her classes, often written with original songs by Phyllis herself.

During summer vacations and after retiring in 1984, Phyllis and Glenn traveled the world, visiting dozens of countries and every continent but Antarctica. They were among the first tourists to visit China when it opened up to Westerners. In addition to playing the piano, she taught herself the accordion and enjoyed many family sing-a-longs. In her spare time, she was a prolific knitter, avid genealogist, and an amazing grandma. She always had the time to supervise a swim, read a Harry Potter book out loud, take the grandchildren on an adventure, or play a game of scrabble.

Cousin Phyllis Best says Sept 2010: The guy from Hawaii is my cousin, Albert William, younger son of my father's younger brother Edgar Russell Robinson. My father, Harold Burton Robinson was the middle boy, and Albert was the oldest.

Both my dad and Russell (except for Albert all the boys seemed to be called by their middle names, including my brother. I have no idea why). Russell had a son, Jim, who is now deceased and Albert William---whom we called Bill. Before I tracked him down I had not seen him since we visited the family in Baltimore in 1938. I did not know very much about Russell's family except his wife, Claire was my mother's best friend and introduced her to my father on a blind date. We lost track of the family after Claire died. So I kept searching and finally found him in Hawaii in 2005. He has now moved to Leesburg, FL which is the town my husband and I lived next to from 1986 till my husband died in 1994. Small world! We have been getting together now, and he is the one who had a copy of the wedding certificate for Mary and Albert.
