HOW TO READ AND FOLLOW A GENEALOGY REPORT.

Once you figure it out, it's simple and instant, but it is difficult for someone new to figure out who is who. Everybody has a number. Our oldest proven common ancestor is #1 in this report, his children are all numbered. To find the family of any child, browse forward in the report until you come to that child and number's family. Likewise his/her children will be numbered. The report is also sectioned off by Generations. If you don't know your line, start at the end and find yourself and work backwards by the numbers. Please contact me with any corrections or additions. Thank you for your input.

Joseph married **Phebia RUSSELL** about 1822. Phebia was born in 1803 in Litchfield, Kennebec, ME and died after 1880 in Dover, Piscataquis, ME.

1880 Dover, Piscataquis, ME Census 108/111: Phebe Cosen, mother, age 73 ME-3, living in household of Oliver Stinneford. Cannot find the Cosen name anywhere in census indexes except for this 1880 mention. There is a Cousens family in MOCA's "Old Cemetery" in Abbott. Cousens is a big family in York County and Wells. Phebe Cousens not found in 1860 census or 1870. Just plain Phebe in Piscataquis Co does not find this Phebe either. No Phebe Russell in Wells VR book. She would have married him probably after 1840 and he would have died before 1880. Dau Lydia's D/C says Phebe was b Stetson and her father b Dover. Litchfield VR book p66: Died May the 22nd day AD 1805 Rachel Russell wife to Daniel Russell the doctor. Also p422. Perhaps this indicates the parents of Phebia. ??

Piscataquis Observer has these two marriage notices that I had not come across before 6/21/2009: George H. Stineford of Dover to Data A. Grammy never talked much about her family. I knew all of them but Laforest. I knew Alwilda, Achsah, Ellura and Roland when I lived in Waterville. When I moved to Guilford at age 9, I got to know Mary and family real well in Greenville and used to go up there to visit. Wallace came across from Wellington. Harold Bean gave me much of the family tree and takes care of the Hutchins cemetery as he is also descended from George and Jane Trafton."

1900 M/C names parents. We have a signature of "Mr & Mrs J F Partridge" in Edith Leavitt's Marriage Guest Book. July 1941 letter from William Robertson to Marguerite: "Aunt Alwilda is still at Byfield [MA] with the Partridges and from letters received gather that she is failing slowly. They took her to Boston one day (about 15 miles) and she had to rest up there and go to bed when she got home so can't stand much of a ride anymore." He also mentioned taking care of cemeteries in Waterville and Winslow. Muriel Robertson Rhoades recalls: "I don't know about Uncle Frank. Aunt Alwilda, Martha and I called her Aunt Widow, as we couldn't pronounce her real name. Dad would take us to visit when we were real little. She had an apple orchard and would scrape apple juice for us to eat. We also climbed in the trees." William O was born 19 Nov 1849 Harmony acc to death certificate info given by Mrs Ralph Crocker. 1860 census: age 9 (most likely correct). 1900 census: Nov 1852. From 1985 correspondence with Ardith Shaw Thurlow of Winn ME 04495: William wrote himself in Ardith Shaw's birthday book that he was born 3 Nov 1852. He went to CA in the Gold Rush and had a ring made from his panned gold that Aunt Sadie [Crocker] got. She gave it to my sister and when she died I don't know what became of it. She also had Uncle Will's Bible, but there was no family info written in it. My parents moved Uncle Will in to live with us from Garland and he was very hard to live with and after a few years went to live with Aunt Sadie. Mother has told me that way back on the Stinneford side there was Indian blood. I went one time with mother to see Uncle Walter. He lived in Sebec or Atkinson. I remember he had red hair."

Daily Whig & Courier Saturday July 26, 1879 "From Dexter" column, A Singular Freak of Nature.

A short time since I called upon a family living at Dover South Mills by the name of Stinneford. Mr & Mrs S. have had a family of some half a dozen children, of whom all but two have grown to maturity and some now have families of their own. Of these two the youngest, now eight years old, is a natural curiosity, for he was born without eyes. He has eyebrows & eyelids, but there is nothing which indicates the presence of eye-balls, or anything in the nature of eye-balls. Doctors who have seen this boy say that he has nothing whatever in the nature of an eye organism. There are slight openings between the lids, but they are apparently not more than a quarter - and perhaps not more than an eighth as long as they would be for the natural

eyes. The little fellow is perfect in every other respect and is an unusually bright boy. He has a very correct musical ear, and also shows an aptitude for declamation unusual for one of his age. He has never been heard to utter a word of complaint at his condition, and he invariably rebukes his friends if they give expression to any pitying words. He seems to realize, however, that it is a calamity to be blind, as the following incident will show: his little niece had a cataract upon her eye, and he had heard fears expressed lest it should destroy her sight. It was not long after this that his mother heard his voice in an adjoining room, and going quietly to the door she listened; what was her surprise when she heard him praying to God that the little baby might not become blind! His parents tell some almost incredible stories about this boy. They say that when he was only seven months old he would "hum" a perfect tune as he lay in his cradle, and they told me its name but I cannot just now recall it. It was one of those old pennyroyal hymns that somebody had sung in the house. The boy sings a good many songs that he has committed to memory, and also speaks, with considerable elocutionary skill, a number of pieces, both in prose and verse. He is a good speller, being farther advanced in this branch than many boys who have had the advantage of schools, and are two or three years older. He disposes of such words as "Constantinople", "Massachusetts", etc., without any apparent difficulty. His sense of touch is very acute, readily recognizing the value of any coin that is given him. And I will here remark that it is a very proper thing for visitors to substantially remember the little unfortunate when they go in to see him and not depart without leaving something for his benefit or amusement. His folks told me that he has never heard a piano or any organ, and that, with the exception of an accordeon and squeaky fiddle, he had never heard the sound of any kind of musical instrument. When listening to music, even the poor grade that he has heard, he seems to be almost in ecstasy, and it is hoped that something will be done so that he may receive such an education as his natural capacity seems to call for. The boy's name is Charles Stinneford. I think his father's first name is Oliver. I will here say that these people treated me very politely when I called. They are not burdened with this world's goods, but they know what constitutes good manners and that is more than can be said of some who have wealth. They say that they are pleased to have any one come in, who has a curiosity to see the blind boy.

D/C says he is blind, age 47, died of pneumonia, brocho, and influenza; buried Dover South Mills Cem.

Oliver next married **Lucinda T HANSCOM**, daughter of **Anson J HANSCOM** and **Frances J HAM**, in 1890. Lucinda was born 22 Aug 1861 in Sangerville, Piscataquis, ME and died after 1930.

14. Mary Ellen STINEFORD (*Joseph Cain*², *William*¹) was born 19 Apr 1836 in Milo, Piscataquis, ME and died 18 Feb 1912 in Kenduskeag, Penobscot, ME.

Aaron's Civil War pension to widow Mary E Edgerly 27 Nov 1889. Death place Kenduskeag. Enlisted from Levant as a Private on 7 November 1863 at the age of 34, in Company F, 1st Heavy Artillery Regiment Maine on 7 Nov 1863. Received a disability discharge from Company F, 1st Heavy Artillery Regiment Maine on 7 Mar 1865. 1880 Kenduskeag census lists Mary as 46, with Annie 13, Charles 11, and Tammie 8, no Aaron. Not found in 1860 or 1870.

1900 Kenduskeag census lists her b Apr 1836 and 5 ch 3 liv, only Annie with her. [I wonder if any of them are related to the Owen B Edgerly b 1869 who m her niece Mary Emily Stinneford.]

Mary's d/c says she was b Milo, wd of ___ Edgerly, dau of Joseph Stinneford farmer & Phebe Russell, both b unk. She d of chronic valvular disease of the heart. Age is 74,9,28, [=April 21, 1837] which is off one year from the Apr 1836 from the 1900 census. Mary was more likely to be correct in 1900 than a next-of-kin in 1912. One World Tree gives 19 Apr 1834 Brownville (next door to Milo); I think 1836 is more likely. Marriage int are also rec in Piscataquis Co Marriage returns CD p324, as Miss Mary E Stinneford of Sebec & Mr Aaron W Edgerly of Dover 15 May 1854. Sebec is between Brownville and Dover. Also in Dover VR v1 p469, married by Moses Ames, Minister of the Gospel.

28. Ellura Mae STINNEFORD (*George H³, Joseph Cain², William¹*) was born 19 May 1860 in Brighton, Somerset, ME and died 27 Apr 1938 in Winslow, Kennebec, ME.

Carol Hanson Guentert says in her Hansons book, "Ellura Mae was a formidable woman, my mother told me. She was five feet tall and weighed 140-150 pounds and she died at age 77 of cancer of the bowel."

Ellura married **Joseph Calvin LEAVITT**, son of **Ralph Clinton LEAVITT** and **Mary Abigail MORGRIDGE**, 1 Sep 1878 in Cambridge, Somerset, ME. Joseph was born 15 Nov 1858 in Cambridge, Somerset, ME and died 27 Sep 1922 in Auburn, Androscoggin, ME.

Joseph is always referred to as simply Joseph C, the middle name lost to history. The C could stand for Clifford or Calvin or Clinton, maybe it was just plain C, so it could stand for any of them; see notes under his father. None of the names is carried on in subsequent generations. I believe his full name is most likely Joseph Calvin, named after both of his parents' fathers. The entire family of Joseph, Ellura, Sina, Chester, Ulrich, Edith and husband William are all buried in the family plot at Pine Grove Cemetery in Waterville, Lot 548, on Crescent Ave. Have photos of stones, and photos of people except Chester and Ulrich. November 2008, Pine Grove Cemetery told us their records state that Chester was reinterred in 1903 from Cambridge Maine. They also said that Ulrich Leavitt is buried there in "plot #4", though without any marker. No living family members had known anything about it. Joseph C Leavitt is also registered as the person who bought the lot in Mt Pleasant Cemetery in Cambridge, where his father Ralph is buried, and likely where his son Chester was buried.

He realized he was too old to be performing surgery, but she wouldn't have anyone else do it. Daughter Marguerite was at her hospital bedside when she passed.

Carole also adds (p84 of her book Hansons of York Maine, "I found that my maternal grandmother, Edith Leavitt Robertson, kept a Shakespeare birthday book with both joyous and sad entries. She made shorthand entries in her memory book on Jan 11 and 18, 1914 that read "Will spoke to me but I decided it was best to wait a month but I only waited a week" and "Will asked me to be his wife. They lived on Central St/Water St in Gardiner, house belonged to Helen, it was a Cousens' house. She worked in a factory office on Water St. Helen's mother was nice, they called her Nana. Muriel and Martha mowed the big steep lawn by hand. William remodeled the house. It burned ca 2010 and was rebuilt.

Carole Hanson Guentert writes in her book *Hansons of York Maine*, p84-92: "Will introduced an unpopular step-mother into the Robertson girls' lives when he remarried a few years later. I remember Grandfather Robertson as a tall friendly man (Mom's childhood friend Edith Sanborn described him as "impressive"), who brought 3-foot tall dolls to Peggy and me for Christmas and on our birthdays. He was married to Helen Cousens by that time, and I spent time at their house on the hill in Gardiner Maine (Cobbossee Stream) in the summertime, though my mother never liked her step-mother, and we weren't allowed to either. My mother could really hold a grudge about that, but it may have been well-deserved. Mom would tell of the huge strawberry shortcakes that her Dad would serve up in soup bowls, because he didn't want his girls to suffer deprivation like he did when he was a boy. When his father remarried, his step-mother cut him off from any financial help for college, so he got a loan from his employer, Ganong's Candy factory in St Stephen NB. Some letters from William are also reproduced in the book.

Email 10/7/2016: My name is Linda Edgerly, one of five children of Owen Chester Edgerly (you have identified him as Chester Owen Edgerly) whose mother was Mary Stinneford. He was born in Greenville Maine on February 18, 1906 and died in New Jersey in November 1985 (the information you have included his death date is incorrect) and is buried in the Hainesville, NJ Cemetery in Sandyston Township. He used the name 'Chet' throughout his life and as the Building Inspector of Sandyston Township in Sussex County, NJ, routinely used the signature 'Chet Edgerly'. Chet Edgerly and his first wife had two children: Joyce Edgerly Lennington Diamond (deceased) and Owen Chester Edgerly, Jr. (deceased). Regrettably, her early death due to what then was known as 'pernicious anemia' left him a single parent with two young children. In the early 1930's he moved with the two children to northwestern New Jersey to accept the position of Manager and Caretaker of Camp Madeleine Mulford which was located in Stokes State Forest.

In 1947 Chet Edgerly married Ruth G. Hoch (b.1921-d. 2007), originally from Mercersburg, PA., and they had three children -- my two brothers and me: Bruce Edgerly (2/12/1948- d. 3/11/1968) who is buried in the Hainesville, NJ Cemetery in Sandyston, NJ; Linda Edgerly (b. 1/9/1950); and Mark Edgerly (b. 11/2/1953). Mark married Judith Ayers on 5/15/1975 and they have one daughter, Corry L. Edgerly. Corry Edgerly married Kurt Chrobak and they have one daughter, Carley L. Chrobak (b. 7/24/2015). I married Loyd C. Moore in 1989 and our daughter, Adrianna Drue ("Anna") Edgerly-Moore (b. 12/18/1990).

The two children from Chet Edgerly's first marriage both of whom are deceased as noted above, also had children: Joyce and her husband Joe Lennington had four children and Owen Chester Edgerly, Jr. (always called 'Brother') and his wife Fern, had three children.

None of the siblings of our father, Chet Edgerly, survive. However, the widow of Robert (Bob) Edgerly, who was the son of our father's sister Ellen, continues to reside in the house in which our father and his sisters grew up in Greenville, Maine. Her name is Sylvia and she and Bob had two children, both of whom still are living in Maine although not in Greenville. We remain in communication with Sylvia Edgerly and with Joseph Lennington (Joyce's first husband) and several of their children and also with Fern, the wife of Owen Chester Edgerly, Jr. ('Brother') and their children. Though our father Chet Edgerly sustained our family's communication during our growing-up years with his sister Mary Edgerly Clark and her husband John Clark (both of whom are deceased and who had no children)

Descendants of William STINNAFORD

and with his sister Ola Ederly Mason and her husband James Mason (both deceased) and their children, we have lost communication with the remainder of the family. With regard to one of Ola and James Mason's sons, James, Jr. (called 'Jim') he and his wife raised several children and lived while I was growing up in Pennsylvania.

This is a letter from my Uncle Charles to a Gus Stineford dated 12-20-1985 [via Bernard Stineford] Dear Gus, I'm sure the family heritage book was compiled by a zealous individual who obtained listings from telephone companies from across the nation and scanned them for surnames. It is quite obvious that they did little research inasmuch as Lawrence C. (Larry) is my son and has lived in Montana for 10 years. (now lives in Ca. B.E.S.) I've lived at this address for 15 years and they do not list me. Probably because I have an unlisted phone. (address at this time was 81763 Drawbridge Ave Indio, Ca. 92201) Now that I have that off my chest I will give you what scoop I have on my branch of the Stinefords. It is not a common surname so I feel that we have a common ancestor. My great grandfather was a seaman on a British ship that was patrolling the coast of Maine during the war of 1812. He jumped ship (which makes us all wetbacks) and fled to the northern part of Maine near Mt. Katadin. he married an indian squaw of the Abanaki tribe and spent the rest of his life in Maine. I do not know how many children he had but my grandfather was born in Brownsville, Me. He sired 8 children according to my father but I only remember 6 names-Joseph, Joshua, Ora, Charles, Annie, and Clara. He died at the age of 92. My father was born in Olamon, Me. in 1888 and died in 19 (unreadable). Ora lived in Melrose, Me. and never had any children. I do not know anything about Joshua except he never left Maine. Joseph lived in Erie, Pa. and worked for General Electric Co. and had several children. The only one I knew was Hilda who was probably 3 or 4 years old then. My father had 3 sons and 2 daughters, Charles, Lawrence, Bernard, Irene, and Dorothy. Lawrence has 1 son Robert who lives in Ceronta, N.Y. he is 36, Bernard has 1 son (at this time) Charles who lives in Mass. (now in N.Y.) and is about 35. I have one son Lawrence who lives in Montana and is 38. I was born in Mass. in 1912 and have been retired since 1972 living in the Colorado desert in Ca. In fact I've lived in Ca. since 1937, I would be happy to receive any information you dredge up regarding the family tree (good or bad). My middle name is Hammond. Sincerely, Charles H. Stineford

OAKLAND - Donna Ruth (Bickford) Farnham 76, passed away peacefully at the Lakewood Continuing Care Center in Waterville, surrounded by her family on Saturday, January 17, 2015, after a courageous battle with Progressive Supranuclear Palsy (PSP). Donna held on to celebrate her and Ralph's 53rd wedding anniversary on January 13. She left this earth on her terms with a smile to be with her Lord. She was born on August 3, 1938, the daughter of Donald Leroy Bickford and Ruth Althea (Leavitt). Donna lost her father at an early age in 1946 and moved to Vassalboro when her mother remarried to Raymond Robinson, Sr. For the next 53 years, she called him dad, but never forgot her biological father.

Donna graduated from Erskine Academy in South China in 1956. On January 13, 1962, she married the love of her life, Ralph Farnham, Jr. She worked at Augusta Mental Hospital, Colby College Library, Larsen's Card and Gift Shop in Waterville, Waterville Osteopathic Hospital, and Digital in Augusta. She opened her own business called "Caring People" which she loved the most. In her spare time she would help out at the Oakland Library, and the VA Hospital at Togus. She belonged to Daughters of American Revolution (DAR), Rebecca's, Business and Professional Woman (BPW), REM, Red Hat Society, Humane Society, Maine State Grange (Oakland), and was on the committee for the new Veterans Memorial in Oakland representing Silent Howard Hayden - DAR. Donna enjoyed traveling, with many trips throughout the State of Maine, NH, Boston to visit her cousin and wife, Nashville, Tn., and Georgia. But the trip she loved the most was the trip with DAR to Washington DC, and Branson, Missouri, and all the stops in between. OH YES, don't forget the lawn sales, dancing at the Fox Den, and many other locations.

She is survived by her husband Ralph of Oakland; daughter Lynn of Waterville; brother Raymond Robinson, Jr and wife Lorraine of Vassalboro; four grandchildren; many cousins; nieces and nephews. She was predeceased by a sister Dale Veilleux in 1995; father Donald Bickford, mother Ruth Bickford Robinson in 2002, and stepdad, Raymond Robinson, Sr in 1998. The family would like to express thanks and appreciation to the excellent nursing staff, the outstanding CNA's, and all members of the Lakewood Staff. Her mother Ruth and my mother were first cousins who had lost contact until I "found" her again in the 1980s researching our Leavitts. Ruth and Donna had provided much help in my research and some family artifacts back then. Ruth's father was Ulrich Leavitt (Joseph1858 like me, Ralph1828, Joseph1782) and her mother was Daisy Gage (Anna Decker, Josephine Leavitt1844, Joseph1782).

The same April 1 1926 Kennebec Journal which mentions her mother and sister on p2 Skowhegan news has the headline "Suffers from badly scalded foot and ankle". "Miss Marguerite Robertson met with a painful accident recently, one which might have resulted much more seriously than it did. The little Miss came in from outside where she had been playing and in throwing off her coat caught it on a pail of boiling water, on the heater close by. The contents overturned upon her foot and ankle, which were badly burned. While she is improving, the foot is painful." Genetic tree: brown hair; angina. Daughter Carole says: Marge had hazel/green eyes I think and "mousey brown" hair. Her cause of death was lung cancer as the primary site but it spread up her spine to the brain. She had larger hands, as I noticed at her wake and her shoes were size 9+ as was her ring size; not a small woman, size 14 at later years and Mom was 5'6" or 7". (Son) Dennis' hand situation (no fingers on one hand) was thought to be the result of Mom having German measles while pregnant, tho' I'm not sure that is so.

FTDNA test results: Haplogroup is H6a1a2a. [My maternal cousins will be the same - Robertson > Leavitt > Stinneford > Trafton > Penney > Gowen > Cole > Spencer 1698.] H6 is one of the oldest branches of haplogroup H. Its age is estimated at around 26,000 years. It is one of the most frequent branches of H found among Arabian lineages, and is the most frequent branch among those found in Central Asia. It likely originated in the Middle East or Central Asia. H6 is also found at very low frequencies in Europe. I have also uploaded my data to the mtDNA Community website for additional analysis.

23&me test refined Aug 2014 shows 99.9% European, broken down as 64.8% British & Irish, 12.7% French & German, 2.3% Scandinavian, 16% Broadly Northern European, .2% Italian, 2.1% Broadly Southern European, 1.8% Broadly European, .1% unassigned. This test also showed 2.9% Neanderthal dna.

Muriel married **Roland³ Edward RHOADES**, son of **Roland Edison RHOADES** [PEAVEY] and **Marion Frances BOUDWAY**, 7 Oct 1950 in Gardiner, Kennebec, ME. Roland³ was born 5 Jun 1930 in Gardiner, Kennebec, ME and died 7 May 2017 in Franklin, Merrimack, NH.

Roland attended Farmingdale and Gardiner schools, graduating from Gardiner High School in 1947. Served in the US Army Air Corps, in charge of sled dogs in Labrador. He moved to Dover NH in 1955 and East Rochester NH in 1959. He worked at GE in Somersworth NH for 11 years. He was a licensed electrician, carpenter and general contractor, a co-owner of a couple companies. He and Muriel were also owners of Hilltop Recreation Center in Somersworth NH, which he built from the ground up in the 1960s to include a golf driving range, go-karts, baseball and softball batting cages, and "Space Age" miniature golf. That was a major news attraction; each hole had a giant theme, like a flying saucer large enough to walk through, that airplane pilots said they used as a bearing for landing at the Rochester airport. It also had space creatures and planets made from steel, chicken wire and mortar. His children always had summer jobs! He was also an Eagle Boy Scout, Order of the Arrow; Scoutmaster in Gardiner ME and Salmon Falls NH; Cubmaster in East Rochester; and served on the vestry as Jr and Sr Warden of the Episcopal Church in Rochester. He converted their summer camp in Sanford to year-round and moved from East Rochester in 1980. He sold his business and retired to Lakeland FL around 1985 in a retirement park where he has been President of the Shuffleboard Club, with many trophies. He and Muriel have led a very active life in the Florida warmth; it's hard to ever find them home. In January 2011, they sold their home in Lakeland and moved in with daughter Nancy in NH.

Genetic Tree: 5'10"; wt 175; black hair; hazel eyes; balding at 40; arthritis, heart disease, back problems (the "Boudway back" acc to his mother), slight diabetes; Blood AB+. Memory problems at about age 80, rapid progression. Had a heart attack and stint 1995; pacemaker 2005. Knee replacement 2009. Prostate cancer 2009.

DNA test results from 23&me: Mtdna U2e1a. Y-dna Rhoades line belongs to Haplogroup R1b1a. 23&me autosomal test, refined Aug 2014, showed 99.8% European, broken down as 41% British & Irish, 14.8% French & German, 8.2% Scandinavian, 29.9% Broadly Northern European, 1.3% Iberian, .5% Broadly Southern European, .1% Ashkenazi, 4.1% Broadly European; .2% East Asian & Native American, .1% Mongolian, <.1% Native American. Broadly means they do not yet have the comparative data to pin it down, but it will eventually increase the Scandinavian and French amounts. This is one reason why they dropped the price to build their database to a million users. His father's story about his g-grandmother (Whalen) being an Indian princess is in question. This test also showed 2.7% Neanderthal dna.

Richard "Duke" Kumpel, 81, passed away on Sunday July 22, 2012. Cherished dad to his five children and Papa Duke to his grandchildren and first great granddaughter, he remained a steady presence in his children's lives showing his warmth and humor that characterized his life. Duke, born on Christmas Day 1930, was raised in Melrose. He shared many happy childhood experiences with his sister Flo and brother George. It was at Lincoln Elementary School in Melrose where he met his lifelong friend and "partner in crime" Donald "Cookie" Corcoran. He graduated from Melrose High School in 1948 where he was a sprinter with the Track and Field Team. After graduating he enlisted in the Navy and served with the Seabees for two years. He met his bride-to-be Martha who was in the nurse-in-training program at Melrose Wakefield Hospital and she immediately caught his eye. He married his beautiful wife Martha in 1952, and soon after the couple moved to Greenwood where they raised five children. Their home in Greenwood was a frequent site of neighborhood pool parties and Christmas caroling get-togethers.

Duke worked for the Local 537 as a union pipefitter for over forty years working on many large scale commercial projects. While working and helping Martha raise the children, he attended Northeastern University at night for eight years finally earning his B.S. in Civil Engineering.

He touched many lives through his associations as a player agent for Wakefield Little League for more than ten years. In addition, he served on the Board of Directors of both Little League and Wakefield Youth Hockey. Duke will be especially remembered for his tireless work leading to the growth of Massachusetts Hockey. In 1974, he became a charter member of Massachusetts Hockey and later served as a member of Mass Hockey's Executive Board. In addition, he served as USA Hockey Director-at Large for nineteen years and was proudly elected USA Hockey Director Emeritus. He received numerous accolades and awards for his work and was inducted in to the Massachusetts Hockey Hall of Fame in 2001.

He moved to Reading in 1996 and served on the Condo Board for Summit Towers for many years. An avid snowbird for the past sixteen years, Duke enjoyed winters at his condo in Fort Lauderdale where he enjoyed shared dinners, reminiscing with old friends and sitting in the sunshine with his Sudoku puzzles. Oftentimes, he was joined by his companion, Mary Cail of Melrose. She was his constant and loving friend and they shared the last nineteen years together going to countless hockey games, rooting for the Red Sox together and enjoying time with family and mutual friends.

Duke never met a stranger and he had a joy for life and for helping others. He had an uncanny ability to fix things and always had a smile for others. He will be remembered and sorely missed by his five children and their spouses including Bill and his wife Pat, Linda Lomas and her husband Howie, Judy and her husband Tom Gonnella of Gettysburg Pennsylvania, Mark and his wife Helene Van Neste of Scarborough, Maine, and Kristen and her husband John Abbondante. He is also survived by ten grandchildren and one great granddaughter. He was predeceased by his loving wife Martha who died in 1989.

4/7/2004 Morning Sentinel: FARMINGTON -- In an unexpected development, School Administrative District 9 directors Tuesday cut an additional \$50,000 from the proposed budget for 2004-05, but did not reveal where the specific savings would be realized.

The motion to take that amount of money from the spending plan came from Neil **Stinneford**, the director from Weld, and the decision was supported in a 12-2 vote by the board following a 15-minute executive session.

Neil married **Joanne STURTEVANT**, daughter of **Reginald H STURTEVANT** and **Laura A WING**, 20 Sep 1955 in Waterville, Kennebec, ME. Joanne was born in 1934.

Joanne's mother, Laura A. Sturtevant, 95, of Auburn passed away Feb. 16, 2005, at Seville Park Plaza, Auburn. She was wife of the late Reginald H. Sturtevant. Born in North Chesterville on Feb. 22, 1909, she was the daughter of Walter and Harriet Wing.

6/25/2015: Franklin Health Care Support Nurse Nancy Thomas recently presented the Goslin Medal award to Joanne **Stinneford**, right, and her daughter Debra Vining for living well with insulin-dependent diabetes for more than 50 years. Ryan **Stinneford** was also recognized, but unable to attend the small ceremony at Franklin Memorial Hospital to honor this distinction for conscientious and courageous attention to the many challenging details involved in managing diabetes.

Children from this marriage were:

356 M i. **Eric STINNEFORD** was born about 1956.
Eric married **Lynette HORNE**, daughter of **Leonard C "Laddie" HORNE** and **Brigitte "Bea" EBERLE**.
Lynette was born about 1956 in Acton, Middlesex, MA.

Lynette's mother:

WAYNE - Brigitte Eberle "Bea" Horne passed away suddenly in her home on March 9, 2014. She was 82. She was born on Sept. 20, 1931, in Nuremberg, Germany, the eldest child of Adolf and Agnes Eberle. After the war, she became an au pair for Dr. and Mrs. Harold Bargar, Americans serving in Germany. They sponsored her in 1952, when she bravely chose to leave her home in Germany and immigrate to America. She lived with the Bargars in Newton, Mass., until moving out on her own and joining the secretarial pool at Sanborn Co. There she met Leonard C. "Laddie" Horne and, against all advice, married him in 1957. Their marriage lasted 51 years, until his death in 2008. Bea and Laddie built a home in Acton, Mass., where they lived for 35 years. Bea raised her family and was the bookkeeper for Laddie's businesses. She became an American citizen in 1968. She joined the Acton Garden Club and was an active member for years, maintaining public garden spots all over town and placing countless red geraniums at historical sites every April 19. Bea's passion for gardens grew into a lifelong concern for ecology. She was an early recycler, volunteering at the Acton landfill to sort bottles, cans and newspapers and she established a then-radical compost pile in her suburban backyard. As college expenses loomed for her children, Bea went to work at GenRad in Concord, Mass. She worked there until her retirement in 1994. Wishing to be closer to grandchildren, Bea and Laddie decided to move to Maine. Her only wish was that her new house, "... be something with a view." Her wish was realized when they settled on Morrison Heights in Wayne in September 1994. Bea's passion for gardens, the earth and volunteering quickly made her a beloved member of the Wayne community. Bea volunteered at the Pooh Bear Nursery School and the Wayne Elementary School

Library, tended the gardens at town memorials and the school, and became a member of the Kennebec Land Trust, earning their Volunteer of the Year Award in 2007. She generously shared her extensive gardens and home on the inaugural Homes of Wayne Tour in 2007. She donated her extraordinary baking skills to countless fundraisers and community events. She spent her quiet hours knitting mittens for mitten drives and comfort shawls for hospice. Bea lent her remarkable energy and elbow grease to any task that needed doing. She was also a member of the Wayne Friday Club, The Wayne Garden Club and would gladly attend any classical music concert at any time. She loved her Wayne community and was genuinely modest about her contributions. If you were fortunate enough to have spent time in her home, you would have been treated to heart-warming food, a breathtaking view and a lovely lady. Bea is survived by her daughter and son-in-law, Lynette and Eric Stinneford, of Wayne; son and daughter-in-law Robert and Christine Horne, of Littleton, Mass.; granddaughters Eliza and Kelsey Stinneford and Nyla Horne; her brothers and sisters-in-laws Jost and Olga Eberle, Gotz and Traudle Eberle, Volker and Barbara Eberle, of Germany; her sister-in-law, Eileen Halkyard, of South Hadley, Mass.; her sister-in-law and brother-in-law, Mary and Robert Sadler, of Hamden, Conn.; many nieces and nephews and ... a whole lot of friends and loved ones. Burial will be private.

10/24/2009 KJ: WAYNE -- The students in Lynette **Stinneford**'s third-grade class at Wayne Elementary School spent much of Thursday and Friday gazing out their classroom window.

Before their eyes, they saw a tower, slides, "pod hops" and other equipment rise from a section of the schoolyard that's been without a working play structure for more than a year.

Stinneford didn't waste the moment. "We're embracing the project," she said Friday. "They've written construction journals." At the same time, the third-graders were learning a lesson about community. Their ideas helped create the design in June....

357 M ii. **Ryan S STINNEFORD** was born about 1958.

Mother says Ryan has been tracing the family tree.

9/9/1999 Portland Press: Ryan **Stinneford**, a Portland attorney, picked up the book for his 10-year-old daughter, a voracious reader. **Stinneford** said that his daughter was unimpressed when she got the first book, "Harry Potter and the Sorcerer's Stone," but that she quickly became engrossed in the story. She read the second book, "Harry Potter and the Chamber of Secrets," in two days -- no easy feat for a fifth-grader at 341 pages. The third weighs in at a hefty 435 pages.

"She identifies with the lead character and loves the sense of adventure," **Stinneford** said.

Ryan married **Shireen S SHAHAWAY** 15 Jun 1985 in Waterville, Kennebec, ME.

Ryan next married **Patricia J WHEELER**, daughter of **Willard WHEELER** and **Virginia**, 19 Sep 1999.
